This paragraph should be able to serve as a brief citation for the nominee were she/he to be selected for this honour).

19. REASONS FOR NOMINATION:

(Lead nominators should note that a well written and complete statement of reasons for the nomination is the most helpful resource for the Committee. Some of the factors considered by the Committee in comparing candidates in the past have included: whether there has been a particular accomplishment of note; connection or service to the University; service to the greater community; service to or influence on a discipline or profession; artistic excellence; service to or influence on the arts; service to the country; cross-cultural influence; other honours received; whether a special anniversary is involved. The Committee seeks those whose merit is **extraordinary**, and not merely impressive).
