Mr. B.

Toronto, Ontario

Dear Mr. B.

At its hearing on Tuesday, June 12, 1979 the Senior Branch of the Trial Division of the University Tribunal considered the following charge against you:

that in or about October, 1978, you did utter or make use of a forged or otherwise falsified academic record of the University of Toronto by submitting an application to the University of Alberta Faculty of Medicine which made reference to or otherwise made use of a forged or otherwise falsified official transcript of University of Toronto, contrary to Section E(1)(c) of the University of Toronto Code of Behaviour on Academic Matters.

I am writing to formally advise you of the decision of the Tribunal with respect to this charge. Based on the evidence presented the jury unanimously found you to be guilty of the charge. The jury also unanimously recommended to the President of the University of Toronto that you be expelled from the University as of June 12, 1979, this penalty to be permanently recorded on your academic record.

The jury gave the following reasons for recommending expulsion from the University of Toronto:

'We consider this a most serious offence towards the University. This penalty should protect the integrity of the public and of the University. We believe that Mr. B. 's behaviour cannot be tolerated within the University community.'
