 THE UNIVERSITY OF TORONTO  
 TORONTO, CANADA  
 M5S 1A4

December 17, 1979

Mr. R.

Toronto, Ontario,

Dear Mr. R.

At hearings on Thursday, December 6, 1979 and Saturday, December 15, 1979 the Senior Branch of the Trial Division of the University Tribunal considered the following charges against you -

- . that on May 4, 1979 you knowingly obtained unauthorized assistance in the final examination in Computer Science A68S held at Scarborough College, in that the examination paper submitted under your name for credit was written by someone other than yourself, contrary to section E.1. (a) (i) and sections G.6. (a) (iv) and G.6. (a) (v) of the University of Toronto Code of Behaviour on Academic Matters;
- . that on May 4, 1979 in the final examination in Computer Science A68S you knowingly represented as your own work that was in fact the work of another, in that the examination paper submitted under your name for credit was written by someone other than yourself, contrary to section E.1. (a) (ii) and sections G.6. (a) (iv) and G.6. (a) (v) of the University of Toronto Code of Behaviour on Academic Matters.

I am writing to formally advise you of the decision of the Tribunal with respect to the charges. On the basis of four affirmative votes the jury found you guilty as charged and unanimously recommended that you be suspended from attendance at the University of Toronto from June 1980 through to August 31, 1981.

The jury also made the following three recommendations:

- . that you be given credit for the three courses left pending from Year I;
- . that you be given the opportunity to complete the courses you are now enrolled in;
- . that the suspension order not be recorded on your transcript.

The jury gave the following reasons for the sanction imposed -

'We want to give Mr. R time to reflect on the gravity of the offense which he has today been found guilty of. We hope that he will steer away from offences of this nature in the future.'

'We feel very heavily the responsibility of having to protect the integrity of all the members of the University, especially the vast majority of students who courageously and honestly take upon themselves the challenge of the system.'

In accordance with #65 of the Rules of Procedure I enclose information regarding the rights of appeal and the time limit in which the appeal must be filed.

Sincerely,

---

Secretary, Academic Tribunal
