Comment [t1]: It has been the practice that, when necessary, alumni are appointed to fill any vacant LGIC positions.

In addition to the *ex officio* members listed above, the Chairman and Vice-Chairman of the Governing Council, the President and the Chancellor are *ex officio* voting members of the Academic Board. The Secretary of the Governing Council is an *ex officio* non-voting member of the Board.

The President may appoint annually University Officers as non-voting assessor members of the Board in addition to the four voting assessors.

1.2 Term

¹ When a sufficient number of Lieutenant Governor In Council appointees is not available to serve on the Academic Board, alumni members of Governing Council or other alumni may be appointed to those positions.

Terms begin on July 1 and continue to June 30.

The Governing Council members of the Academic Board are appointed annually by the Governing Council and may be re-appointed subject to their continued membership on the Governing Council. ~~Elected~~ Teaching staff and librarians are normally elected for three-year terms and are eligible to be re-elected. The non-Governing Council student members are appointed annually by the Board and may be re-appointed. The non-Governing Council administrative staff and alumni members are appointed by the Board for one- to three-year terms, and may be re-appointed.

1.3 Chair and Vice-Chair

The Governing Council shall appoint the Chair and Vice-Chair of the Board from among the members of the Council on the Board.

2. QUORUM

One-third of the voting members (normally 41).

3. COMMITTEES

3.1 Standing Committees

The Standing Committees of the Board are: Agenda Committee
Academic Appeals Committee
Committee on Academic Policy and Programs
Planning and Budget Committee

3.2 Special Committees

From time to time the Board may find it useful to establish Special Committees to consider particular issues. Special Committees are normally formed on the recommendation of the Agenda Committee, when, in the view of the Board, one or more of the following conditions exist:

- a) an issue cannot be accommodated easily within Standing Committee schedules - either intense scrutiny is required in a relatively short time or thorough examination of complex issues is necessary over a relatively long period of time;
- b) an issue does not fall readily under an existing Standing Committee - either because it is not clearly within any Standing Committee's terms of reference or because aspects of the issue cut across several bodies;
- c) there is a need for the participation of experts not represented on the relevant committee.

A recommendation from the Agenda Committee to establish a Special Committee shall include terms of reference, an outline of membership, the anticipated reporting date and the date of disestablishment.

3.3 Striking Committee

The Striking Committee, established by the Agenda Committee, shall recommend annually and as vacancies occur to the Academic Board ~~on the non-Governing Council membership of the Board (except teaching staff and librarians who are elected); and the membership of its Committees and various other appointments (except teaching staff and librarians who are elected).~~²

4. FUNCTION

The Academic Board is responsible for consideration of policy in the academic area and for monitoring matters within its area of responsibility. In general, the Board is concerned with matters affecting the teaching, learning and research functions of the University, the establishment of University objectives and priorities, the development of long-term and short-term plans and the effective use of resources in the course of these pursuits.

Except in purely academic matters (those specified in clauses 2(14)(g), (h), and (n)³ of the *Act*), the Board does not have final decision-making authority. In most instances, recommendations of the Board are confirmed by the Executive Committee on behalf of Council. Matters having significant impact on the University as a whole, those having serious steering effects on the development of a particular division or those having a major impact on the relationships amongst divisions and relationships between the University and the community at large, will normally require the approval of the Governing Council.

² Appointment of ~~non ex-officio members of the Committee for Honorary Degrees recommended to Governing Council; appointment of~~ two members of the Academic Board to the Provost's Advisory Committee on the Library recommended to the Board; on the recommendation of the President, the appointment of the Council of Ontario Universities' colleague and alternate recommended to the Board.

³ Clause 2(14)(g) refers to conducting examinations and appointing examiners, (h) refers to matters arising in connection with the award of fellowships, scholarships, medals, prizes and other awards for academic achievement, and (n) refers to the determination and regulation of standards for the admission of students to the University, the contents and curricula of all programs and courses of study and the requirements for graduation.

In most instances, recommendations of the Board are confirmed by the Executive Committee ...” on behalf of the Governing Council. Where a consent item requires a resolution of the Board, and where no member has requested consideration of the item in the usual manner, the motion will be placed before the Board and seconded, and it will normally immediately proceed to a vote without introduction or discussion.

Where a consent item is for information only, and where no member has requested consideration of the item in the usual manner, the item will normally be taken as received by the Board without introduction or discussion.
