

Call for Nominations for Chancellor of the University of Toronto

The Chancellor Search Committee of the College of Electors invites nominations for the position of Chancellor of the University of Toronto for a three-year term, ideally commencing July 1, 2012.

Established in 1827 by royal charter, the University of Toronto is the largest research-intensive university in Canada, located in one of the world's great urban regions. Operating on three campuses with more than 70,000 students, the University is globally renowned for its teaching and research, and ranks third among universities world-wide in total output of academic publications. The annual operating budget is \$1.7 billion, with an additional \$380 million per annum in external support for on-campus research and \$500 million in research funding held by faculty in nine partner hospitals.

The Chancellor is the titular head of the University, and, with the President and the Chair and Vice-Chair of the Governing Council, represents the University to the external community. In this role, the Chancellor is an advocate for the vision of the University as it is articulated by the President and endorsed by the Governing Council. He/She plays an essential ambassadorial role in advancing the University's interests within the local, provincial, national and international arenas.

The ideal candidate will be a distinguished person with a record of demonstrated excellence in his/her chosen field and in service to the community. He/She will have a strong public presence and profile and well-developed relationship-building skills.

The Chancellor is elected for a term of three years and may serve for a maximum of two consecutive terms. The Chancellor serves as a volunteer and receives no remuneration; he/she is required by statute to be a Canadian citizen.

The Honourable David R. Peterson's second term as Chancellor will come to an end as of June 30, 2012. At that time the Chancellor will have completed the maximum service length permitted by the *University of Toronto Act, 1971*. Regrettably, the *University of Toronto Act, 1971* does not allow Chancellors to stand for a third term. Chancellor Peterson's tireless and exemplary work on behalf of the University over the past six years is deeply appreciated by the entire University community.

The University of Toronto is strongly committed to diversity within its community and especially welcomes nominations of visible minority group members, women, Aboriginal persons, persons with disabilities, members of sexual minority groups, and others who may contribute to the further diversification of ideas.

The Chancellor Search Committee will accept nominations as of **Monday, December 12, 2011**. Nominations will continue to be accepted until the Committee makes its recommendation to the College of Electors, the body responsible for the election of the Chancellor.
