**Candidates' Statements**

**Lee Bailey**

I have been a member of this college for more than 25 years. I teach and hold office hours at UTM five days a week. This schedule will permit me to serve faithfully as a member of this committee. In addition to attending Erindale College Council I have served a Chair of RPPC for 2 terms, as a member of Campus Affairs for 1 term and a member of Campus Council for 1 term. I have never missed a meeting. I ask for your support. Yours truly, Lee Bailey. Department of Economics

**Jennifer Carlson**

I have been a faculty member of the Sociology Department since Fall 2013 and a member of CAC since Fall 2014. I am committed to contributing to UTM's dynamism as the campus faces new opportunities and new challenges. For this reason, I am excited at the prospect of enhancing campus excellence as a long-term member of the CAC.

**Chester N. Scoville**

I have been a member of the teaching staff at UTM for fifteen years; during that time, I have seen the face of the campus change greatly, as new buildings, an expanded student population, and new faculty, staff, and programs have come to enrich the life of the place. My interest in serving on the Campus Affairs Committee stems from this long experience of UTM and from a desire to assist in guiding the ongoing growth and improvement of the campus for those who live, study, and work here.

**Jumi A. Shin**

I have been on the CAC since its inception in 2013. I have directly experienced the changes in governance, and have made suggestions to make the new process more meaningful to us at UTM. I started here in 2002 and am now an Associate Professor in Chemical & Physical Sciences. I have observed how UTM functions and gained insights into how I can contribute, whether concerning child care to infrastructural projects that will meet our growing needs. I have been excited by the changes over the last twelve years, and am excited by the opportunity to contribute to UTM's future.

**Steven Short**

I joined the faculty at UTM in 2007 and am an Associate Professor in the Department of Biology. I have always been an active participant in the governance of UTM through attendance at many UTM town hall meetings, and more recently as an elected member of the Campus Affairs Committee. I care deeply about the future of UTM and the role of its Governing Council and Standing Committees as they guide UTM's ongoing evolution as one of Canada's leading universities. I would be honoured to serve as a representative of teaching staff on the Campus Affairs Committee.

**Gerhard Trippen**

I have joined the UTM community over five years ago. I am teaching quantitative management courses, and in particular operations management. I hope that I can use my knowledge to contribute to the management and constructive review of the campus affairs. I have experienced a variety of different campus communities through my teaching at UTSC for two years and my ongoing teaching at the St. George campus. After being a member of the Campus Affairs Committee for nearly two years, I am hoping to continue my service to the UTM community.

**Anthony Wensley**

I have been a member of the UTM community since 1988. I have been consistently concerned to do all I can to make UTM a welcoming and supportive environment for faculty, students and staff alike. I believe that over the years I have demonstrated my commitment to this goal and I would like to have to opportunity to continue to contribute.

**Byeong-Uk Ki**

I have been a faculty member in the philosophy department at UTM since 2006. Although I am also a member of the graduate philosophy department at St George, I spend most of the time at the UTM campus and I served as a member of UTM's Academic Affairs Committee in 2011-12.
