2013 SPECIAL GUEST COMEDIAN: Mark Little!

The Bob 2013 runs Nov 14-16.

The Bob Sketch Comedy Revue is currently the longest continuously running student sketch comedy revue in Canada! Established in 1972, the Bob Revue was originally held in honour of a student named "Bob" (since I knew you were all wondering. Just who is this "Bob"?), who was a strong figure in the Vic community and was well known for his great sense of humour. The original program involved sketches primarily aimed at making good fun at the running new Freshmen and lofty Professors, both of whom were primary targets for Bob's stories and punchlines. In the many decades since, the Bob has morphed and changed in various ways, but at its heart is still a sketch comedy revue dedicated to making witty cracks at life.

Directed by Kieron Higgs and Britta Johnson
 Produced by Lean Moncada
