ELIGIBILITY REQUIREMENTS FOR CANDIDATES

‘Alumni’ are defined in *The University of Toronto Act, 1971* as ‘persons who have received degrees or post-secondary diplomas or certificates from the University, or persons who have completed one year of full-time studies, or the equivalent thereof as determined by the Governing Council, towards such a degree, diploma, or certificate and are no longer registered at the University.’ *The University of Toronto Act* stipulates that alumni members of the Governing Council may not be students or members of the teaching staff or the administrative staff.

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from visible minority group members, women, Aboriginal persons, persons with disabilities, members of sexual minority groups, and others who may contribute to the further diversification of ideas.

Members of the Governing Council are encouraged to develop an understanding of governance principles.

Detailed information about the work of the Governing Council, its Boards and Committees, and its members is available on the Governing Council web-site: <http://www.governingcouncil.utoronto.ca/bac/gc.htm>

Prospective applicants are also encouraged to read the *Report of the Task Force on Governance* (June 22, 2010) available online: <http://www.governingcouncil.utoronto.ca/taskforce/reportTFOG.htm>

PRINCIPLES OF GOOD GOVERNANCE

Subject to applicable laws, University governance must be guided by excellent principles of good governance in relation to stewardship and public accountability, and at the same time recognize the unique nature and characteristics of the academic community or institution, including the:

- fundamental autonomy of universities, coupled with the essential responsibility for public accountability;
- need to respect the academic mission of excellence in teaching and research;
- importance of ensuring that academic freedom and responsibility are respected;
- need to be seen to be accountable – through transparency – to all parties interested in and supporting the University;
- desire for meaningful and objective stakeholder participation in governance; and
- diversity and broad representation of governors.

MANDATE OF GOVERNANCE

The “Principles of Good Governance” form the basis for the mandate of governance. The three essential functions of governance include **approval** of specific policies, plans, projects or reports according to established procedures; **oversight** of institutional leadership and decision-making; and the provision of **advice** on proposed initiatives at various stages of development. Specifically, the Governing Council is responsible for matters such as:

- strategic direction;
- finance;
- human resources;
- capital expenditures and infrastructure;
- academic quality; and
- student experience.

EXPECTATIONS OF GOVERNORS

Governors:

- Are collectively and individually stewards of the University. Each Governor must act in good faith with a view to the best interests of the University;
- Have the obligation to ensure their actions and choices reflect consideration of the long term impact for the university as a whole;
- Understand and passionately support the mission of the University;
- Exercise informed judgement – within a reasonable time of joining the Council, become knowledgeable about the University and its role in the province, the country, and globally; the academic sector more broadly; emerging trends, issues and challenges, thereby being able to provide wise counsel on a range of issues, through knowledge of and experience with topics and their context;
- Understand the current governance policies and practices, the mandates and authorities of the committees on which they serve;
- Respect the distinct and separate roles of governance and administration. The Governing Council must ensure that the University is managed well, but responsibility for managing the University is delegated to the President and members of the administration;
- Are dedicated ambassadors for the University, participating regularly in both internal and external events;
- Engage their fellow governors as well as the community, when appropriate, to ensure that all stakeholders also support the mission of the University;
- Are able to communicate intelligently and respectfully with people of diverse backgrounds; and
- Commit to participating actively in governance meetings. Attend at least 75% of all meetings and advise the Secretariat in advance if absence is necessary.

Required Attributes for 2016

This year, there is a particular interest in recruiting alumni with the following attributes:

- An entrepreneurial outlook, balanced with sound judgment and prudent governance;
- A highly creative, strategic and critical thinker, who engages with emerging ideas and disruptive technologies to reimagine the University of the future;
- A global citizen, inspired to enrich the University with international perspectives, experiences and connections;
- An engaging and persuasive communicator, and an energized advocate for the University;
- A capacity to master the complexity of the University, to effectively shape its evolutions as a preeminent teaching and research institution, and to creatively guide the University through its challenges;
- An affinity for mentorship and being an inspirational role model with an interest in shaping and guiding the changing student experience at the University;
- An active volunteer in the University with a strong community presence;
- A capable professional with a general knowledge of and experiences in various functions important to the University as it engages with the future, (by example: marketing, communications, emerging technology, financial management, and oversight of private or public sector management);
- An experienced member of other governance bodies with an appreciation and capacity for the required investment of time.

TIME COMMITMENT

Members of the Governing Council make a significant time commitment in their volunteer service to the University. This may be a minimum of 150 hours per year, but generally is considerably more depending on the depth to which a governor chooses to contribute to particular issues and the time dedicated in his/her first term to becoming familiar with the University's governance processes. In addition to serving on the Governing Council, governors typically serve on one or more of its Boards or Committees. Regular meetings are scheduled from September to June, usually begin at 4:00 or 5:00 p.m., and continue for about two or two and a half hours.

In considering this rewarding volunteer commitment, applicants should take into account preparation for and attending a minimum of twelve meetings over the academic year.

In addition to spending time reviewing documentation for meetings, attending meetings, and interacting with members of various constituencies, governors also frequently attend University and community functions, where they serve as ambassadors of the University. As well, from time to time, they are asked to serve on various ad hoc, search, or advisory committees. Some of these meetings or events may occur during the day.

APPLICATION PROCEDURE

Application forms are available online as of November 19, 2015 at 12:00 noon at <http://uoft.me/alumgovnominfo>. They are also available from the Office of the Governing Council, Room 106, Simcoe Hall, University of Toronto, Toronto, Ontario, M5S 1A1. As well, the application form may be requested by calling 416-978-6576.

All applications are subject to a verification process by the Secretary of the College of Electors. An application will be certified as complete only if all of the following criteria are fulfilled:

- a) The candidate is an alumnus/a of the University of Toronto as defined by the Act (see above);
- b) Each section of the application form has been completed following the directions contained in the Instruction Guide;
- c) The information for at least ten valid nominators has been provided on the Nominator Form;
- d) A signed paper copy of the application form is received by the Secretary of the College of Electors, Room 106, Simcoe Hall, University of Toronto, Ontario, M5S 1A1 by **Thursday, December 17, 2015, at 5:00 p.m.**

EVALUATION PROCESS

All verified applications are carefully reviewed by the College of Electors. The College will then select those candidates who best meet the identified skill set required by the Governing Council and invite them to attend an interview.

IMPORTANT NOTE: Confidential interviews with an interview committee of the College (approximately eight members) will be held on **Monday, February 8, 2016 between 9:00 a.m. and 5:00 p.m.** Interview times will be determined by lot.

At the interview, candidates will be invited to present an opening statement to the College, outlining their interest in serving on the Governing Council, and highlighting the relevant skills and experiences which they possess. A series of set interview questions will then be posed. Following the structured portion of the interview, the interview committee and the candidate will have an opportunity to engage in further dialogue with respect to the role of an alumni member of Governing Council in general, and the candidates' views and insights, in particular.

Applicants

In addition to the expectations of governors and the specific required attributes for 2016 (listed on page 3) that are sought, the College also looks for evidence of the following factors when reviewing each application and during each interview:

- Past commitment to an organization/activity that has demanded extensive time and involvement on the part of the applicant;
- Understanding of the distinction between governance versus management of an organization, perhaps gained through service on one or more boards or committees; and
- Appreciation of the tri-campus structure of the University and the unique challenges that it might present.

Incumbents

Alumni members of Governing Council who choose to seek re-election are required to provide only the following:

- A one-page written statement updating the College on their activities during their current term on the Governing Council. The incumbent should outline as well why, in their view, they should be re-elected. (The application previously submitted by an incumbent for their current term will be provided to members of the College.)
- Three letters of support (including two from fellow members of the Governing Council).

Incumbents are expected to demonstrate, through their application and during the interview, the following:

- A strong record of service during his/her current term that supports his/her bid for re-election;
- Participation on any advisory or special committees or task forces;
- Deep understanding of the role of the trustees of the University;
- Positive regard of others for the incumbent's contributions to governance, as evidenced by letters of support from fellow members of Governing Council; and
- High levels of participation at University events and consistent attendance at governance meetings during their term.

Elections

Following the interviews, members of the College will discuss all candidates and then hold an election by secret ballot.

SELECTION OF ALUMNI MEMBERS OF GOVERNING COUNCIL

Applicants are reminded that, in most years, the number of excellent candidates significantly exceeds the number of openings for alumni members of Governing Council. The College of Electors takes its role in selecting alumni members very seriously and exercises great diligence in reviewing the application forms and interviewing candidates. It is understood that many applicants may be unaccustomed to such a rigorous process where the possibility of being unsuccessful can potentially be quite high. However, nominees should recognize that, in the considered opinion of the College, even the most outstanding candidates may not be the most suitable or possess the ideal skill set being sought in any given year. Applicants who are not selected in one year are strongly encouraged to speak with the Chair of the College of Electors upon completion of the process and to consider resubmitting an application in a subsequent year. At that time, applicants may also choose to discuss the possibility of being considered for other volunteer positions within the University.

COLLEGE OF ELECTORS

The College of Electors (College), which was established in 1971, is a body responsible for electing the Chancellor and the eight alumni members of the Governing Council of the University of Toronto. The College consists of members representing the constituent alumni associations of the University of Toronto Alumni Association (UTAA). Members may serve a maximum of four consecutive years on the College, allowing for continuity in the selection process from year-to-year.

The Constitution of the College of Electors governs the College's operation:

<http://www.governingcouncil.utoronto.ca/Assets/Governing+Council+Digital+Assets/Policies/PDF/College+of+Electors+Constitution.pdf>

Through its work, the College aims to contribute to the attainment of diversity within the membership of the Governing Council, and it indirectly represents the more than 500,000 alumni of the University,

Individuals considering applying for an alumni governor position are encouraged to contact the Secretary of the College of Electors in the Office of the Governing Council by phone at 416-978-8428 or by email at patrick.mcneill@utoronto.ca before submitting an application.

Thank you for your interest in serving the University of Toronto.
