Section III: Definitions

The definition of “**Full-Time Undergraduate Student**” and “**Student**” below is an extract from the *Election Guidelines 2018*. It is your responsibility to ensure that you are eligible by consulting the [Election Guidelines 2018](#), which provides more details for this definition and the eligibility criteria.

“Full-Time Undergraduate Student” means a Student registered at the University in a program of full-time study leading to a degree, post-secondary diploma or certificate of the University or in a program designated by the Governing Council as a program of post-secondary study at the University who is not registered in the School of Graduate Studies or the Toronto School of Theology. Full-Time Undergraduate Student status will be determined by the definition used in the Student's academic division. For the purpose of the Governing Council elections, Students at the University of Toronto Scarborough who are registered in a work term will be considered to be Full-Time Undergraduate Students.

“Student” means any person registered at the University for full-time or part-time study in a program that leads to a degree, post-secondary diploma or certificate of the University or in a program designated by the Governing Council as a program of post-secondary study at the University. The Transitional Year Program and the Millie Rotman Shime Academic Bridging Program have been designated by the Governing Council as programs of post-secondary study at the University, and, accordingly, a student in either of these programs is considered a “Student” in these *Guidelines*.

For the purposes of elections to the Governing Council and its bodies, Students registered in the Professional Experience Year (PEY) program in 2017-18 will be included in the full-time undergraduate student constituencies. This includes the participation as candidates and for voting in the elections. Students enrolled in the PEY program in 2017-18 may submit a nomination for the full-time undergraduate constituencies provided that they were registered as full-time students in the academic year immediately prior to the PEY, and that they will be registered as full-time students in the 2018-19 academic year.
