Paul Kingston

I am happy to serve a second three year term as teaching representative of UTSC on Governing Council (GC). I see my role as one of representing the interests of UTSC in the university's tri-campus system while taking into consideration the broader interests of the university as a whole. My experience as a founding director of the Centre for Critical Development Studies (CCDS) and as a past member of GC, Chair of UTSC's Campus Council, and a member of the university's final tribunal will serve me well over the next three years in carrying out my responsibilities.
