1. Report of the Previous Meeting

The report of the previous meeting, Report Number 95 dated November 1st, 2001, was approved.

2. Academic Board Agenda – January 24th, 2002

The members discussed the agenda for the January 24th, 2002 meeting.

It was suggested that the item on the Capital Plan precede any capital projects on the agenda in order to provide a context for those projects.

It was proposed that the Striking Committee recommendation for a new graduate student member be considered as the first item so that if approved, the member could join this meeting. The covering memorandum for the agenda package would ask non-members to not enter the Council Chamber until that item was concluded.

Professor Sedra briefly outlined the items that he would present under his report.
