AGENDA ITEM: 8

ITEM IDENTIFICATION:

University of Toronto at Scarborough: Divisional Name Changes

JURISDICTIONAL INFORMATION:

Name changes of academic units are considered by the Academic Board and confirmed by the Executive Committee.

HIGHLIGHTS:

These name changes arise as a result of the approval in principle of the *Framework for a New Structure of Academic Administration for the Three Campuses*. They recognize that UTSC will comprise departments rather than divisions. It is anticipated that the particular departmental configuration will be elaborated as a result of the upcoming academic planning process.

RECOMMENDATION:

It is recommended that the Academic Board approve

The following divisional name changes at the University of Toronto at Scarborough, effective February 1, 2003:

- Division of Humanities to Department of Humanities
- Division of Life Sciences to Department of Life Sciences
- Division of Mathematical Sciences to Department of Computer and Mathematical Sciences
- Division of Physical Sciences to Department of Physical and Environmental Sciences
- Division of Social Sciences to Department of Social Sciences

8 January 2003

Ms Susan Girard
Assistant Secretary of Governing Council
University of Toronto

Dear Susan,

On behalf of the UTSC Council, I recommend to the Academic Board that the following name changes be approved and become effective 1 February 2003:

Division of Humanities to Department of Humanities
Division of Life Sciences to Department of Life Sciences
Division of Mathematical Sciences to Department of Computer and Mathematical
Sciences
Division of Physical Sciences to Department of Physical and Environmental Sciences
Division of Social Sciences to Department of Social Sciences

Yours sincerely,

Paul Thompson
Vice-President, University of Toronto
Principal and Dean, UTSC
