Under the policy for Category 5, cost recovery fees shown on the schedule may be adjusted annually by administrative authority of the Vice-Provost, Academic Operation (previously Planning & Budget), provided that the adjustments relate to changes in the cost of the materials or services provided. These changes are to be reported annually to the Business Board for information.

**PREVIOUS ACTION TAKEN:**

The schedules come forward annually.

## **HIGHLIGHTS:**

### **CATEGORY 5**

The University's Policy on Ancillary Fees, under Category 5, permits divisions to charge students for the reasonable cost of the provision of certain learning materials and services. The University, through its operating budget, is responsible for the delivery of an academic program, but the student may be expected to purchase the requisite materials prescribed for the program.

These cost recovery fees include fees for: publications, case studies, or laboratory manuals; field trips; clothing; equipment that becomes the property of the student; equipment rentals; other goods or services provided individually to students for their exclusive use; and any non-credit remedial instruction provided. All of the fees reported fall within one of these categories. As directed under the policy, the only cost recoveries that may be charged are those shown on the University Schedule of Cost Recovery Fees. This schedule has been updated and is attached for the Business Board's information. (See Attachment B).

### **CATEGORY 6**

These fees include fees for special registration arrangements, optional copies or records, special arrangements relating to examinations, placement fees, library fines, application fees, and other services. None of these fees is subject to the MTCU policy on ancillary fee protocols.

Details of changes to the existing fees are given on the following pages. Additions to the schedule are under a separate cover of approval.

The 2010-11 schedule of Category 6: Administrative User Fees and Fines is attached. (See Attachment C).

## **FINANCIAL AND/OR PLANNING IMPLICATIONS:**

### **CATEGORY 5**

The fees are set at a level to cover the cost of the service.

### **CATEGORY 6**

In 2008-09, these fees produced \$13,173,447 in income for the University's academic divisions, which closely matched the costs of providing the relevant services.

## **RECOMMENDATION:**

For information only.

The Faculty is introducing Multiple Mini Interviews as part of their application procedures. This complex interview process will be administered in-house will create additional costs. However, many of the admission-related costs (e.g. salaries, systems, etc.) will remain static. Therefore, the increase in application fee reflects the costs associated with the services provide.

### **Policy on Ancillary Fees**

In Addition to the Tuition Fee Schedule, there shall be a Schedule of Ancillary Fees. The schedule will be organised as follows:

#### **1.0 Student Services provided by the University<sup>1</sup>**

- 1.1 Student Services
- 1.2 Health Services
- 1.3 Athletics
- 1.4 Hart House
- 1.5 Constituent College fees (excludes college library fees which are prohibited)

<sup>1</sup>All fees in this category are compulsory.

The Ministry of Education and Training's Compulsory Ancillary Fee Policy requires that protocols be established in order to increase or add new fees to this category.

#### **2.0 Student organisations and services provided by such organisations<sup>2</sup>**

- 2.1 Student society fees including any portion thereof in support of student initiated health plans and communications.
- 2.2 Social and cultural services (excluding Hart House)
- 2.3 Other fees levied by student organisations to cover the costs of operating the organisations or services provided by them. The University may act as a collection agent for the student organisation, but the fees will be passed directly to the respective student organisations.

<sup>2</sup>In accordance with the Ministry of Education and Training's Compulsory Ancillary Fee Policy fees established by student governments, including those resulting from referenda sponsored by them are excluded from the protocol requirement.

### **3.0 Student levies for specific, limited projects<sup>3</sup>**

Student organisations may establish levies for specific, limited projects within the University which are designated by them.

The University may act as a collection agent for the student organisation, but the fees will either be passed directly to the respective student organisation or to a restricted account for the purpose(s) designated by the organisation.

<sup>3</sup>Such fees must be approved by student referenda as required by the Ministry of Education and Training's Compulsory Ancillary Fee Policy. These fees are exempt from the protocol requirement of the Ministry's policy.

All fees in Categories 1.0, 2.0 and 3.0 that are compulsory will be governed by the University's Policy on Compulsory Non-academic Incidental Fees. The application of the Policy will not preclude the assignment of Category 3.0 Student levies for specific, limited projects to academic purposes.

### **4.0 Academic surcharges for extraordinary cost**

4.1 Studio Fees

4.2 Cinema Screening Fees

4.3 Laundry

4.4 Computing Fees

Compulsory ancillary fees normally may not be levied for these services. The only exception may be for extra services beyond those normally provided and required by a degree program or course, as for example when additional computing time is made available to students at their option.

### **5.0 Cost Recoveries<sup>4</sup>**

5.1 Publications, case studies, laboratory manuals

5.2 Field trips

5.3 Clothing

5.4 Equipment purchases that become the property of students

5.6 Other goods and services provided individually to students for their exclusive use. Charges for various forms of non-credit remedial instruction, if provided, may be included here.

5.7 Materials, services, or licenses where the University acts as a broker with a vendor for the student.<sup>5</sup>

Fees charged to recover costs must relate to those costs, and may not exceed them, or a reasonable estimate of them. The only cost recoveries that may be charged are those shown on the University Schedule of Cost Recovery Fees, which initially shall be the list of cost recoveries shown in the University's submission to the Ministry of Training & Education, February 16, 1987. The fees shown on the Schedule may be adjusted annually by administrative authority (the Vice-Provost, Planning & Budget) provided that the adjustments relate to changes in cost, and are for goods and services that comply with the Policy on Ancillary Fees. All changes shall be reported annually to the Business Board for information.

<sup>4</sup>Such fees, whether or not they are compulsory, are exempt from the Ministry of Education and Training's Compulsory Ancillary Fee Policy protocol requirement.

<sup>5</sup>This is a new category introduced by the Ministry of Education and Training Policy. For the University of Toronto, this category replicates Category 5.4.

## **6. Administrative user fees and fines<sup>6</sup>**

6.1 Registration fees

6.2 Records and documents (excluding diplomas and certificates, for which no fee may be charged except for replacements)

6.3 Examination and grades (excluding initial grade reports, for which no fee may be charged)

6.4 Co-op program placement fees

6.5 Library fines

6.6 Other administrative user fees or fines shown on the University Schedule of Administrative User Fees and Fines.

Administrative user fees must relate to the costs of the services provided, and may not exceed them, or reasonable estimates of them. The only administrative user fees and fines that may be charged are those shown on the University Schedule of Administrative User Fees and Fines. The fees and fines shown on the Schedule may be adjusted annually by administrative authority (the Vice-Provost, Planning & Budget), provided that the adjustments relate to the costs of the services provided. All changes shall be reported annually to the Business Board for information. The introduction or removal of

a fee from the Schedule must be submitted to the Business Board for review and approval.

<sup>6</sup>All fees in this category are exempt from the Ministry of Education and Training's Compulsory Fee Policy protocol requirement.

## **7.0 General program support**

Other than tuition fees, no fees may be levied for general program support, except as provided for in Category 3.0, student levies for specific, limited projects.

## **8.0 System Wide Fees<sup>7</sup>**

### **8.1 University Health Insurance Plan (UHIP)**

Such fees are established through a formal agreement under which students at all Ontario universities pay a comparable fee for a comparable service. Such fees are exempt from the Ministry of Education and Training's Compulsory Ancillary Fee Policy protocol requirement.

<sup>7</sup>This is a new category introduced by the Ministry of Education and Training policy. The UHIP fee is actually a Council of Ontario Universities fee which is reported here for information.
