BACKGROUND

The University's Policy on Ancillary Fees makes provision for a Category 5: University Schedule of Cost Recovery Fees and a Category 6: University Schedule of User Fees and Fines. Under the policy for Category 5, cost recovery fees shown on the schedule may be adjusted annually by administrative authority of the Vice President, University Operation, provided that the adjustments relate to changes in the cost of the materials or services provided. These changes are to be reported annually to the Business Board for information. Under the policy for Category 6, administrative user fees and fines shown on the schedule may be adjusted annually by administrative authority of the Vice President, University Operation, provided that the adjustments relate to changes in the cost of the materials or services provided. These changes are to be reported annually to the Business Board for information.

The University's Policy on Ancillary Fees makes provision in category 6 for a University Schedule of User Fees and Fines. Under the policy, the introduction or removal of a fee from the Schedule must be submitted to the Business board for review and approval. The report for approval of new and discontinued Category 6 fees (for approval) accompanies this report, which is for information.

Ancillary fees are fees charged to pay for services, materials and activities not supported by operating grants, capital grants or tuition fees. MTCU Guidelines state that compulsory ancillary fees are to be non-tuition related and should not be charged for items and services that support the general costs of program delivery, with certain exceptions permitted by the Guidelines. MTCU Guidelines do not encompass non-compulsory ancillary fees. The University of Toronto introduced its own policy in 1995 which translates the provincial Guidelines into the University of Toronto context. The University of Toronto is committed to ensuring that compulsory ancillary fees are compliant with MTCU Guidelines and University of Toronto policy.

Category 5 Cost Recovery Fees and Category 6 Administrative User Fees and Fines have been reviewed in the context of MTCU Guidelines, University Policy and the Administrative Review of Ancillary Fees conducted in 2012-13. Recommendations resulting from the review process have been implemented; the administration will continue to work with divisions over the coming year to ensure ongoing compliance and to enhance communication to students.

The Category 5 and 6 fees proposed for 2014-15 have been reviewed and are deemed to comply with MTCU Guidelines and University Policy.
