Undergraduate Program Review Audit Committee (UPRAC) – Report of the Auditors

JURISDICTIONAL INFORMATION:

In 1994, the Governing Council approved in principle a recommendation of the Broadhurst Task Force on Ontario University Accountability that governing boards should receive a report on all program reviews. The Committee on Academic Policy and Programs annually considers a report of all reviews conducted during the year. The report of the meeting at which the reviews are considered is forwarded to the Agenda Committee of Academic Board, the Executive Committee and the Governing Council.

The Undergraduate Program Review Audit Committee (UPRAC) is the body mandated by the Council of Ontario Universities and the Ontario Council of Academic Vice-Presidents (OCAV) to ensure that review processes for undergraduate programs are applied with proper standards at Ontario Universities. This is the first UPRAC report received by the University of Toronto. It is being considered by governance in the same way as reviews commissioned by the University.

Included with the Review are the reports of the meetings of the Committee on Academic Policy and Programs and the Agenda Committee at which the Report of the Auditors was considered. The discussion of the Review by the Executive Committee is summarized in Report Number 384.
