POLICY ON APPROVAL AND EXECUTION OF CONTRACTS AND DOCUMENTS

A. PREAMBLE

The Governing Council of the University of Toronto is a corporation continued by an Act of the Legislative Assembly of Ontario: the *University of Toronto Act, 1971*, as amended by 1978, chapter 88.

Section 3(b) of *By-law Number 2* of the Governing Council provides that:

The Council may from time to time by resolution appoint any officer or officers or any person or persons on behalf of the Council either to sign contracts, documents or instruments in writing generally or to sign specific classes of contracts, documents or instruments in writing or to sign specific contracts, documents or instruments in writing.

Pursuant to this By-law provision, the Governing Council has established this Policy on Approval and Execution of Contracts and Documents.

B. APPROVAL

Contracts not in the normal course of business will be referred to the appropriate board or committee of the Governing Council for approval on behalf of the Governing Council or for recommendation to the Governing Council for approval. Other contracts may be approved by the senior officer(s), as specified below, who are responsible for the consultations and negotiations leading to their completion.

The Governing Council has set financial limits or other conditions which establish the level of authority to give final approval to contracts and documents. It has done so by approval of the Board and Committee terms of reference, the Banking and Borrowing resolutions, and specific policy documents. A record of such limits and conditions is maintained in the Governing Council Secretariat. Only contracts that are consistent with approved policies may be approved.

Notwithstanding the delegation of authority to administrative officers to approve contracts contained in the Board and Committee terms of reference, the Banking and Borrowing resolutions or specific policy documents, the President and other administrative officers shall bring to the attention of the appropriate Board or Committee of the Governing Council any contract or other agreement, prior to approval and execution, that involves a unusually high level of risk to the University or that might have a negative effect on the reputation of the University.
