SUBJECT: Advice on Fees and Operating Plans from the Council on Student Services (COSS)

Included in this package are detailed annual reports and operating plans for the co-curricular services on the St. George Campus for 2007-08. The operating plans and budgets have been prepared with input from the managers of the services, from student users of the services, from various advisory and governing bodies, and from the Council on Student Services (COSS) established under the terms of the Protocol on non-tuition fees.

Pursuant to the Protocol, a key duty of COSS is to provide advice to University Affairs Board (UAB) in respect of the services' operating plans, budgets and changes in fees governed by the Protocol. Decisions of COSS (i.e., approval or failure to approve plans and fees) related to operating plans and fees are conveyed to the UAB when the service's plan is under consideration by the Board. If COSS does not approve a fee increase, the administration is entitled to seek approval by the UAB of: (a) a permanent fee increase of the lesser of the consumer price index (CPI) increase or the University of Toronto index (UTI) increase; and (b) a temporary (three year) increase of the greater of the CPI increase or the UTI increase. Permanent increases which are larger than CPI or UTI require the approval of either a majority of the student members of COSS present at the meeting at which the fee increase is considered or the majority of the relevant students voting in a referendum.

The CPI for this year is 2.0%. Generally speaking, UTI is an indexation of a service's fee which takes into account changes in salary and benefit costs, revenue from other sources, occupancy costs, and changes in enrolment. It is calculated separately for each service's fee. The result is an "indexed fee." For comparison purposes, each fee's UTI is represented here as a percentage:

- Hart House: 13.4%
- Faculty of Physical Education & Health: Co-curricular Programs & Services: 6.9%
- Student Services: 3.4%
- Health Service and Psychiatric Service: 5.6%
- Student Affairs: 6.1%

This memorandum summarizes the outcomes of the Council's consideration of the operating plans and budgets.
