The Committee considers reports of project planning committees and recommends to the UTSC Council approval in principle of projects (i.e. site, space plan, overall cost and sources of funds) with a capital cost as specified in the *Policy on Capital Planning and Capital Projects*. [The Business Board is responsible for approving the establishment of appropriations for individual projects and authorizing their execution within the approved costs.] The level of approval required is dependent on the cost of the project. Significant changes to a space program/approved project require the same level of approval as the original proposal.

[The UTSC Academic Affairs Committee has responsibility for considering the curricular aspects of academic program proposals.]

[Proposed program changes that would not require the allocation of additional resources from sources outside the division, and would not have significant effects outside of the division offering the program, do not require the attention of the Committee.]

5. AREAS OF RESPONSIBILITY (cont'd)

6. PROCEDURES

6.1 Meetings

The UTSC Campus Affairs Committee and its sub-committees normally meet in open session but may, pursuant to section 33 of *By-law Number 2* of the Governing Council, meet in closed session or *in camera* when: (i) matters may be disclosed at the meeting of such a nature, having regard to the circumstances, that the desirability of avoiding open discussion thereof outweighs the desirability of adhering to the principle that meetings be open to the public; or (ii) intimate financial or personal matters of any person may be disclosed at the meeting or part thereof. The UTSC Campus Affairs Committee will use the procedures set out for the meetings of the Committees of the Governing Council.

6.2 Agenda

In establishing the agenda for meetings of the Committee, the Chair will usually be advised by an agenda planning group that includes the Vice-Chair and the voting and non-voting assessors. The proposed agenda for a meeting, together with background documentation, is reviewed at an agenda planning meeting, usually scheduled ten to fourteen days prior to the Committee meeting.

Notwithstanding the usual procedure for establishing the agenda for meetings, matters may be added to the agenda of a current or subsequent meeting, as provided in sections 32 (d), (e) and (f) of *By-law Number 2* of the Governing Council, by: a vote of two thirds of the members present and voting to add a matter to the agenda of a meeting; a resolution to determine that a matter be included on the agenda of a subsequent meeting; a written request signed by at least 10% of the voting members and submitted at a meeting that a stated matter be included on the agenda of the next regular meeting; or a notice of motion approved by the Chair for inclusion on the agenda of a subsequent meeting.

6. PROCEDURES (cont'd)

6.3 Consent Agenda

The Chair, in consultation with the agenda planning group, may determine that an item should be placed on a “consent” portion of the agenda. Those items are not given individual consideration by the Committee, unless a member so requests. Rather, members with questions for clarification, or requests for further information, contact the assessor or other contact person shown on the item in advance of the meeting. Members with concerns who would like an item to be discussed by the Committee should notify the Secretary at least 24 hours in advance of the meeting. Upon the request of any member, the matter will be considered by the Committee in the usual manner.

Where a consent item requires a resolution of the Committee, and where no member has requested consideration of the item in the usual manner, the motion will be placed before the Committee and seconded, and it will normally immediately proceed to a vote without introduction or discussion.

Where a consent item is for information only, and where no member has requested consideration of the item in the usual manner, the item will normally be taken as received by the Committee without introduction or discussion.

6.4 Additional Reports for Information

To keep members abreast of developments in a timely manner, certain reports for information required by these terms of reference and others as decided by the Committee Chair from time to time will be considered by the members of the UTSC Campus Affairs Committee following their electronic publication. Members will be notified once the reports are made available. Members who have questions about a report will be invited to contact the sponsor of the item. Members with concerns about the report who would like it to be discussed by the Committee should notify the Secretary at least fourteen days in advance of the next meeting to enable consideration by the agenda planning group. The report will be considered by the Committee at that meeting in the usual manner.
