COMMUNITY

I've met so many diverse people and am part of so many communities. I've put on concerts at Hart House with my friends, and in third year I tried out for a dragonboat team and got fit while meeting a ton of people.
- *Tiffany Yu-Ka in Ma*, 4th Year, English and Physics, Arts and Science

PASSION

It's really great how passionate the profs are about what they teach. It definitely makes classes more enjoyable and engaging.
- *Luisa Alvarez*, 2nd Year, Languages and English, Arts and Science

There are so many ways to connect at U of T. In residence and classes and through the clubs I joined, I've met so many great people who have become friends for life.
- *Sophia Allfrey*, 4th Year, Political Science

CONNECTIONS

FUTURE

U of T has done more than provide great career opportunities; it has given me the tools to leverage my drive and passion to be an innovative entrepreneur.
- *Katherine Chang*, 3rd Year, Co-op Management, U of T Scarborough

LEGACY

When I think of legacy, I think of the incredible, world-changing ideas and scientific research of the people who have worked and studied at this institution. The electron microscope. Insulin. Great authors.
- *Abby Anu*, 2nd Year, Engineering Science, Engineering

STUDENT LIFE

Student life here is so multi-faceted that your options are endless. There is never a shortage of interesting and personally fulfilling things to do with your time outside the classroom.
- *Emily Hsiao-Saxton*, 3rd Year, English, Arts and Science

BOUNDLESS OPPORTUNITIES

The opportunities I've found here helped me to discover my true self. The experience has been so much more than just working towards a degree.
- *Jason Summers*, 3rd Year, Biology and Psychology, U of T Mississauga

Your Opinion
There's great food service on campus at U of T! For example Sammy's Student Exchange at Hart House was rated 4.5/5 by MacLeans.ca, U of T Scarborough & U of T St. George both have a very popular Farmer's Markets and U of T Mississauga even has a webcam aimed at Tim Hortons so coffee drinkers can gauge how long the wait will be. U of T also offers flexible, healthy and delicious meal plan options on all three campuses: Mississauga, Scarborough, St. George. Whether you live in residence or commute to campus, there's something that will fit your needs! What kind of food would be in your perfect meal plan?

The Code of Student Conduct

Case Processes

Step 2: Information Gathering

The Division Head begins gathering information about the alleged incident(s) or conduct. If the identity of the individual(s) involved has not been provided, it is essential for this to be determined at this stage (since a complaint under the Code cannot proceed without a respondent being identified).

2012 – 2013 The Year Ahead

- Establishing partnerships across internal faculties, colleges and departments to increase physical activity and sport opportunities for students, especially those that are underrepresented
- A new academic plan to be published– including a strategic plan for achieving excellence in co-curricular physical activity and sport
- Improving student club access to our facilities
- Continue to block times for “student only” rental-free access for clubs
- Continue to fundraise for remaining capital funding to build the Goldring Centre that would increase student physical activity and sport space, enhance KPE sport science research and teaching capacity, sport medicine services and healthy high performance programs and services
- Augmented field facilities, as a result of hosting Field Hockey for the 2015 Pan American Games. A legacy of two additional turf fields for the University Community.

Major Challenges

- Greening of the Infrastructure

A leading team of architects, engineers and heritage specialists will advise us

- Structural Deficit

New cost cutting and revenue strategies; aggressive fund-raising

Reframing the conversation to include co-curricular education in the basket of core responsibilities of Ontario colleges and universities

- Engaging all University of Toronto Students

More targeted, evidence based outreach as well as fundraising for scholarships to support participation in clubs and committees
