UTM Proposed Operating Budget: Themes and Priorities

JURISDICTIONAL INFORMATION:

Section 5.7 of Campus Affairs Committees' Terms of Reference provides that the "annual budget is considered by the Committee for recommendation to the [UTM] Council for inclusion in the University's annual operating budget." Appendix A of the Terms notes that this responsibility is executed as part of the campus' budget planning process.

GOVERNANCE PATH:

- 1. UTM Campus Affairs Committee [For information] (November 16, 2015)
- 2. UTM Campus Council [For information] (December 3, 2015)

PREVIOUS ACTION TAKEN:

At meetings on September 14, 2015 and October 7, 2015, the Campus Affairs Committee and the Campus Council respectively received for information a presentation on the Current Year Campus and Institutional Operating Budget.

HIGHLIGHTS:

The attached presentation is 'step two' in the process for consideration of budget matters by UTM governance, which comprises four components:

- (1) an integrated budget presentation to the CCs and CACs,
- (2) an overview of the proposed campus operating budgets (themes and priorities),
- (3) the Provost's budget review meetings, and,
- (4) governance consideration of the University's operating budget.

The attached presentation explores the priorities and key trends that inform decisions about proposed uses of the financial resources available to the campus. This "step two" discussion at both the Campus Affairs Committee and Campus Council will support UTM's annual budget discussions with the Provost and the integration of campus budget plans into the University's budget.
