HartHouse

# SHARED GOALS

Hart House embodies the president's three key priorities:

1. Hart House **leverages our urban location** by connecting students with the broader community.
2. We help support **global education** through diverse programs and forums for international voices and perspectives.
3. We **re-invent undergraduate education** through experiential learning and leadership opportunities.

# SHARED VISION

## **Inclusive**

- All students feel welcome (tri-campus, First Nations, first-in-family, LGBTQ, commuter students, etc.)

## **Collaborative**

- Work across differences and deliver a combined impact for students (home, studies, life beyond)

## **Connected**

- Community service and partnerships (global citizen, caring, active and purposeful)

# SHARED LEADERSHIP

- Multi-estate (student, faculty, staff and alumni) model of decision-making throughout
- Student majorities on all clubs and committees, coordinated by student secretaries
- Student majority on Board of Stewards, including ten elected from across three campuses and five appointed by the student unions (APUS, GSU, UTMSU, UTSCSU, and UTSU)

# STUDENT DEVELOPMENT

Personal and professional growth highlights

## 30+ Clubs & Committees

Students pursue their interests, work with diverse groups and create meaningful learning opportunities (300+ this year) for all.

## Leadership & Governance

Students enhance decision-making and collaborative skills, learn public speaking advocacy, facilitation and more.

## Identity Exploration

Students have the freedom and space to explore their values and interests and what matters to them.

## Weekly Wellness

Programs to support wellness, community building and developing resilience. Students enjoy free massages, meditation, arts & crafts and drop-in fitness.

# STUDENT CONNECTION

Broader community development

## Social Justice

A series of public discussions that examine refugee-related issues and opportunities.

## Civic Engagement

Community Kitchens - Farm Committee created a food systems program for kids 8-12 in the high-priority neighbourhood of Flemingdon Park.

## Emerging Issues

The Change Room Project brings LGBTQ voices out in the locker room. Elections awareness programs encourage students to get out and vote etc.

## Food Policy

Students interested in food security and sustainability can take on a leading role in the new Food Policy Council that extends beyond the campus with community-building initiatives.

## In Development

- 5-year strategic plan
- Stronger partnerships across the university (First Nations House, CIE, CCP, etc.)
- Improved assessment and measurement
- Enhanced student leadership through renewed governance
- 100-year anniversary
- Accessibility review
- Infrastructure renewal
- Etc.
