

Smoke-free policy implementation plan update

January 30, 2019

Smoke-free policy implementation plan update

- Installed DSA benches & ‘butt stops’
- Produced cards encouraging DSA use
- Launched website with policy & smoking cessation resources
- Positioned A-frame signs at campus hot-spots to redirect to DSAs; updating permanent signage across campus
- Promoting webinars and on-site smoking cessation workshop for employees (Jan. 30, noon, UTM Club), and UTM Health & Counselling supports for students
