Compulsory Non-Academic Incidental Fees – Report and Analysis: 2014-15

# JURISDICTIONAL INFORMATION:

Section 5.1. of the Terms of Reference provides that compulsory non-academic incidental fees are within the responsibility of the UTM Campus Affairs Committee (UTMCAC). Sections 5.4.1 and 5.4.2 state that fees for UTM student services, representative student committees, and campus organizations, and divisional student societies "are approved by the UTM Council on the recommendation of the UTM Campus Affairs Committee."

Compulsory non-academic incidental fees for UTM are considered and approved by the UTM CAC and the UTM Campus Council. Fees for the St. George campus and for multi-campus services and student societies are approved by the University Affairs Board.

Campus Affairs Committee-Compulsory Non-Academic Incidental Fees: Report & Analysis 2014-15

### **HIGHLIGHTS:**

The report is an inventory of all compulsory non-academic incidental fees (and designated portions thereof) approved by governance and collected by the University. Similar fees approved and charged by the federated universities are included for reference.

In the first section of the report, fees are identified in each divisional table as either those whose proceeds fund a University service, or those whose proceeds go to a University-wide student society, or those whose proceeds go to a student society or service of the division. Bar charts compare the total fees paid by students by division.

Increases to fees which fund University operated services (including those managed by a division of the University) are subject to the terms and conditions outlined in the *Policy for Compulsory Non-Academic Incidental Fees* and the *Memorandum of Agreement between The University of Toronto, The Students' Administrative Council, The Graduate Students' Union and The Association of Part-time Undergraduate Students for a Long-Term Protocol on the Increase or Introduction of Compulsory Non-tuition Related Fees* (commonly referred to as the *Protocol*). The Council on Student Services (COSS) provides advice to the University Affairs Board on increases to fees for the St. George Campus and University-wide services. Similarly, the UTM Quality Services to Students Committee (QSS) and the UTSC Council on Student Services (CSS) advises the UTSC and UTM Campus Affairs Committees on fee increases for services located on the Mississauga and Scarborough campuses respectively. Services fees are listed in Schedule 2.

Changes to student society fees (including portions of fees, which are designated for specific purposes) are subject to the terms and conditions outlined in the *Policy for Compulsory Non-Academic Incidental Fees* and the societies' own constitutions and/or by-laws. Increases which are greater than the cost of living must be supported by a positive result in a recent referendum. Requests for increases which are less than or equal to the cost of living must be supported by a previous referendum approving annual increases by an established inflation factor. When such a provision is approved by referendum, annual increases no greater than the Ontario Consumer Price Index of the previous December (or no greater than an inflation factor approved by referendum) may be requested upon approval of the board or council of the organization. Student society fees, including portions designated for specific purposes, are detailed in Schedule 1.

### FINANCIAL IMPLICATIONS:

There are no net implications for the campus' operating budget.

### **RECOMMENDATION:**

The report is presented for information.

Compulsory Non-Academic Incidental Fees – Student Society Fees: UTM Student Society Proposals for Fee Increases.

# JURISDICTIONAL INFORMATION:

Section 5.1 of the Campus Affairs Committee Terms of Reference lists student societies and compulsory non-academic incidental fees among the Committee's areas of responsibility. Sections 5.4.1 and 5.4.2 provide that compulsory non-academic incidental fees for representative student committees and divisional student societies "are approved by the UTM Council on the recommendation of the UTM Campus Affairs Committee."

Student society fees are subject to the terms and conditions of the *Policy on Ancillary Fees*<sup>1</sup> (Category 2.0, "Student organizations and services provided by such organizations," and Category 3.0, "Student levies for specific, limited projects"), and the *Policy for Compulsory Non-Academic Incidental Fees* (Preamble, Section A., and in particular, Section B.).

Section B.4. of the *Policy for Compulsory Non-Academic Incidental Fees*<sup>2</sup> outlines the general expectations with respect to increases of student society fees:

Campus Affairs Committee: Compulsory Non-Academic Incidental Fees – Student Society Fees: UTM Student Society Proposals for Fee Increases.

Requests to change the fee collected on behalf of a student society and requests for new fees shall be approved only when evidence has been presented that the request has been authorized by due constitutional process in the organization. The procedures to request approval of a new fee or an increase to an existing fee shall be published in the Handbook for Student Societies.

## Cost of Living Increases

(a) Where the amount of an increase in the fee charged is not greater than the year-over-year change in consumer prices for Ontario as measured by Statistics Canada (December-over-December) as of December 31 of the previous year, the request must be supported by the results of a previous referendum approving the principle of a cost-of-living adjustment. In special circumstances (e.g., when a portion of a student society fee is designated for a health plan or capital project), other inflation indexes or predetermined inflation factors may be used, provided that the request is supported by the results of a previous referendum approving the use of the specific inflation index or predetermined inflation factor.

# Referendum Requirement

(b) Where the amount of an increase in the fee charged is greater than the year-over-year change in consumer prices, the request must be supported by the majority of the society's members voting in a recent referendum.

In summary, increases which are greater than the cost of living must be supported by referendum. Other increases must be supported by a previous referendum approving the concept of annual increases by the cost of living or an explicit inflation factor. When such a provision is approved by referendum, annual increases, no greater than the Ontario Consumer Price Index of the previous December, or no greater than a specific inflation factor approved by referendum, may be requested upon approval of the board or council of the organization.

The administrative procedures are outlined in the Handbook for Student Societies, which is published by the Office of the Vice-Provost, Students and First-Entry Divisions (OVPS).

Requests for increases are brought forward to the Committee by the administration on the assurances of the student societies that due constitutional and fair procedures have been followed within the societies concerned. If a complaint is received about the process related to a fee request from a student society, the OVPS makes inquiries about the issue and, if necessary investigates the matter further as part of the assessment of the request.

#### MEMORANDUM

**TO:** Members of the Campus Affairs Committee

FROM: Mark Overton, Dean of Student Affairs

**DATE:** February 10, 2015

**SUBJECT:** Compulsory Non-Academic Incidental Fees – UTM Student Society

**Proposals for Fee Increases** 

Requests from one UTM student society for the fee changes listed below have been received by the Office of the Vice-Provost, Students & First-Entry Divisions (OVPS), which manages the administrative processes University-wide related to student society fee requests. OVPS works with my office as necessary and keeps me informed with respect to the fee requests received from UTM student societies.

The applications have been reviewed in light of the requirements of the *Policy for Compulsory Non-Academic Incidental Fees*. The requests below are found to be in compliance with these requirements and are recommended for approval.

Requests for fee increases from student societies must meet a number of requirements. Section B.4. of the *Policy for Compulsory Non-Academic Incidental Fees* outlines the University's general expectations:

Requests to change the fee collected on behalf of a student society and requests for new fees shall be approved only when evidence has been presented that the request has been authorized by due constitutional process in the organization. The procedures to request approval of a new fee or an increase to an existing fee shall be published in the Handbook for Student Societies.

#### Cost of Living Increases

(a) Where the amount of an increase in the fee charged is not greater than the year-over-year change in consumer prices for Ontario as measured by Statistics Canada (December-over-December) as of December 31 of the previous year, the request must be supported by the results of a previous referendum approving the principle of a cost-of-living adjustment. In special circumstances (e.g., when a portion of a student society fee is designated for a health plan or capital project), other inflation indexes or predetermined inflation factors may be used, provided that the request is supported by the results of a previous referendum approving the use of the specific inflation index or predetermined inflation factor.

#### **MEMORANDUM**

#### Referendum Requirement

(b) Where the amount of an increase in the fee charged is greater than the year-over-year change in consumer prices, the request must be supported by the majority of the society's members voting in a recent referendum.

The procedures for handling fee change requests (from the *Handbook for Student Societies* published by the OVPS) also provide that requests for a fee increase must be supplied with the following:

Evidence that the request to change the existing fee (or to institute a new charge) has been authorized by due constitutional process of the organization. This evidence should include a copy of or specific reference to the section of the society's constitution which related to the mechanism for fee changes, minutes of the meeting at which the resolution to request the change was passed, details and results of any referenda related to the subject which may have been held within the division, and publicity given the matter to ensure that those who may be affected by the change are aware of the proposal, including size and purpose of the increase, and have had the opportunity to make their views known.

Normally, the administration intersects with these processes at two points. Initially, student societies are asked to seek advice from the OVPS on the wording of the referendum questions (with respect to clarity and technical language). The second point occurs after the referendum when the student society makes the formal request for a fee increase. The recommendation for approval is derived from the assessment of whether or not the society has met the requirements established in the *Policy* and relevant procedures.

Occasionally, the OVPS is asked to look into complaints about referendum procedures and compliance with relevant portions of the society's constitution and/or by-laws. The results of these investigations play a significant role in the assessment of the request and the recommendation for approval.

The assessment of requests for fee increases is normally based upon the following expectations:

- 1. The student society must make the request in a manner consistent with the *Policy for Compulsory Non-Academic Incidental Fees* and the University's procedures for increases to student society fees;
- 2. When required, there must be a positive result in a referendum for a fee increase (special conditions established by the society, such as quorum, must also be met);
- 3. The referendum question itself should be clear and provide enough information to students in order to gain a full understanding of the implications of the question and proposed fee for them;

# UNIVERSITY OF TORONTO MISSISSAUGA

#### **MEMORANDUM**

- 4. The referendum must be held in a fair manner, advertised and promoted in a reasonable manner, and the members of each organization should be given a reasonable opportunity to vote; and
- 5. Each organization must comply with the provisions of its own by-laws, rules of procedure, and specific policies and procedures approved by the society's board or council.

Societies which have previously received approval (by referendum) from their members for an annual cost of living increase in the society's portion of the fee may request increases, upon approval by the society's board or council, of up to the previous Ontario December-over-December cost of living increase (consumer price index) calculated by Statistics Canada. The December 2014 consumer price index for Ontario was 1.9%.

As outlined in the excerpt from the *Policy* above, where members of a society have given consent (through a previous referendum) to the concept of inflationary increases according to a specific inflation factor or measure, this inflation factor may be used. For example, the Erindale College Student Union (operating as the University of Toronto Mississauga Students' Union, UTMSU) may request increases in the Mississauga Transit U-Pass portion of the UTSMU fee of up to 9%. It is important to note that when dealing with a student society request for a fee change, it is the society's own constitution, by-laws, or established policies that set the standards for acceptable results in referenda. In some cases, society constitutions establish a minimum voter turnout in order to consider a referendum result to be valid. The University has not established additional criteria with respect to valid referendum voter turnout.

In addition, with respect to both requests for increases based upon the results of a referendum, and increases which require only the approval of the society's board or council, the administration relies on the assurances of student societies that due constitutional processes and fair procedures have been followed.

#### ITEM IDENTIFICATION:

Advice from the Quality Service to Students Committee (QSS).

#### JURISDICTIONAL INFORMATION:

Campus and student services, co-curricular programs, services and facilities, and compulsory non-academic incidental fees are among the areas within the responsibility of the Campus Affairs Committee.

Section 5.3.2 (a) of the Campus Affairs Committee's Terms of Reference provides that "...policy matters concerning the Campus's co-curricular programs, services and facilities" are the Committee's responsibility. Section 5.3.2 (b) states that "...annual approval of the campus's co-curricular programs', services' and facilities' operating plans is the responsibility of the Committee." Similarly, section 5.3.3 provides that "The Committee is responsible for policy concerning campus and student services and for overseeing their operation. Changes to the level of service offered, fees charged for services and categories of users require the Committee's approval."

Section 5.4.1 of the Committee's Terms of Reference require that compulsory non-academic incidental fees for student services "are approved by the UTM Council on the recommendation of the UTM Campus Affairs Committee."

The Fees which fund student services provided by the University are subject to the terms and conditions of the *Policy on Ancillary Fees* (Category 1.0), the *Policy for Compulsory Non-Academic Incidental Fees* (Preamble and Section A.), and the *Memorandum of Agreement between The University of Toronto, The Students' Administrative Council, The Graduate Students' Union and The Association of Part-time Undergraduate Students for a Long-Term Protocol on the Increase or Introduction of Compulsory Non-tuition Related Fees* (generally known as the Protocol on Non-Tuition Fees or simply the Protocol). The requirement to establish such a protocol was announced by the then Minister of Education and Training in June, 1994. The administration began negotiations with the student governments shortly thereafter and the University of Toronto *Protocol* was ultimately approved by the Governing Council on October 24, 1996. The *Protocol* is an agreement between the University and the student governments, on behalf of all students, and is considered to be University policy.

Campus Affairs Committee: Advice from the Quality Service to Students Committee (QSS).

Section B.1. and Appendix B of the *Protocol* specifically provide that the following fees fall under its authority and provisions: Health Services; Student Services; Athletics and Recreation; Hart House; and the Scarborough College Athletics Fee. Student Services Fees on each campus were initially, and continue to be, fees which fund a range of programs and units; although the fees themselves may have been combined (as in the case of the St. George Health Service and Student Services fees) or renamed since the *Protocol* was introduced. Other compulsory non-academic incidental fees, which fund services operated by the University, and which were introduced after the agreement was approved, are under the *Protocol's* jurisdiction.

Section E.1. of the *Protocol* provides that the administration may "review and where necessary realign the existing budgets" within divisions of Student Services and within specified units. Any such realignment "will not imply or cause an increase in overall levels of expense funded by the fees covered by the *Protocol*, but may result in the reallocation of available resources in response to changing service demands."

Under section D., the *Protocol* established an institutional "Council on Student Services" (COSS) and made provision for the creation of bodies within colleges, faculties and campuses, corresponding to COSS. To the present, several other bodies have been created by the councils of their respective divisions: the **UTM Quality Service to Students Committee (QSS)**, the UTSC Council on Student Services (CSS), and the Innis College Council on Student Services. COSS considers the Operating Plans and Fees for the St. George and University-wide student services and co-curricular programs, services, and facilities. These bodies are collectively referred to as the "*Protocol* Bodies." While not formally part of the University's governance system, the *Protocol* Bodies are created by University policy, are subject to the terms of the *Protocol*, and have some accountability to the Governing Council and, where applicable, to the divisional bodies that created them.

The Protocol Bodies have a specific role in respect of providing a "means by which students will be involved in decisions to increase compulsory non-tuition-related fees or to introduce new ones" (*Protocol*, section A.1.). In particular, section E.2., provides that "All proposals for the increase, decrease, introduction or elimination of a fee covered by this *Protocol* shall first be considered by the [relevant Protocol Body], whose advice on the proposed change shall be conveyed to the Governing Council."

As is the case with much of the business of the Governing Council, pursuant to the University of Toronto Act, 1971, the Governing Council has delegated its responsibility for the consideration of *Protocol*-related fees to a number of bodies. Fees for University-wide and St. George services are considered by the University Affairs Board. Fees for UTM and UTSC services are first considered by the respective Campus Affairs Committees, which recommend approval to the corresponding Campus Councils (whose decisions are confirmed by the Executive Committee).

In governance, the administration, through the Administrative Assessors, prepares and presents proposals to relevant governance bodies for consideration and approval. Proposals are then considered and approved, declined, or referred back to the administration with advice on particular areas which should be given further attention. Alternatively, the administration might withdraw a proposal in light of the discussion of a Board or Committee, and bring it back for consideration with revisions at a later date. While the Protocol Bodies tend to be much more directly engaged in the consultation process related to the development of Operating Plans, the administration follows the same general process with respect to the presentation of proposals of Operating Plans and Fees to the Protocol Bodies.

The attached memorandum summarizes the advice provided to the Governing Council by the Quality Service to Students Committee.

Campus Affairs Committee: Advice from the Quality Service to Students Committee (QSS).

According to the terms of the *Protocol*, if the relevant Protocol Body approves an increase to, or the establishment of, a fee, or if the relevant students approve of such an increase or new fee by referendum, the Governing Council may approve the increase or fee, without restriction on the amount.

In the absence of approval by a relevant Protocol Body or by referendum, the Governing Council may approve:

(a) <u>permanent increases</u> in existing fees by a percentage less than or equal to the <u>lesser</u> of the Consumer Price Index (CPI) increase or the University of Toronto Index (UTI) increase;

#### <u>and</u>

(b) <u>temporary three-year increases</u> in existing fees by a percentage less than or equal to the <u>greater</u> of the CPI increase or the UTI increase. CPI is drawn from the University's long-range budget guidelines, and UTI is an indexation of a *Protocol*-related fee which is defined within the *Protocol* itself.

#### **DOCUMENTATION PROVIDED:**

Advice from the Quality Service to Students Committee (QSS).

TO: Members of the UTM Campus Affairs Committee

FROM: Mark Overton, Dean of Student Affairs

DATE: January 27, 2015

SUBJECT: Advice on Fees and Operating Plans from the Quality Service to Students

Committee (QSS)

Included in this package are the proposed Operating Plans and proposed Fees for the UTM Student Services for 2015-16. These fees are subject to the provisions of the Policy on Ancillary Fees, the Policy for Compulsory Non-Academic Incidental Fees, and the Memorandum of Agreement between The University of Toronto, The Students' Administrative Council, The Graduate Students' Union and The Association of Part-time Undergraduate Students for a Long-Term Protocol on the Increase or Introduction of Compulsory Non-tuition Related Fees (generally known as the Protocol on Non-Tuition Fees or simply the Protocol).

The following UTM-related Compulsory Non-Academic Incidental Fees are subject to the three policies listed above and are charged to students via their student accounts on ROSI:

UTM Athletics & Recreation Fee

UTM Health Services Fee

UTM Student Services Fee

Summer Shuttle Services Fee (UTM-affiliated undergraduate and graduate students only) Mississauga Transit Fall-Winter U-Pass Fee (graduate students only)

Mississauga Transit Summer U-Pass Fee (UTM-affiliated undergraduate and graduate students only)

The Protocol makes provision for the establishment of a body at UTM which considers proposals for changes to, or the introduction of, fees covered by the Protocol prior to the consideration of these fees by the Governing Council. This body, named the Quality Service to Students Committee (QSS) was established by the former Erindale College Council, with the agreement of the Erindale College Students' Union and the Association of Erindale Part-time Undergraduate Students. The Protocol also requires that the advice of QSS shall be conveyed to the Governing Council.

The "advice" is interpreted to mean the decisions of QSS on the proposals made by the administration to QSS (i.e., approval of a proposal, a rejection of a proposal, an absence of a decision following a proposal being made, etc.). Following the consideration of the administration's proposals by QSS, the administration lists the resolutions considered, the decisions, and the details of the voting in a memorandum to CAC. This memorandum delineates the advice to CAC. The Protocol also requires that this summary be forwarded to the chair of QSS "in sufficient time to allow representation to be made by the [QSS] to [CAC]."

The Operating Plans and budgets have been prepared with input from the directors and managers of the services, from student users of the services, from various advisory and governing bodies, and from QSS (prior to the point when the Plans were considered by QSS).

According to the terms of the Protocol, if QSS approves an increase to, or the establishment of, a fee, or if the relevant students approve of such an increase or new fee by referendum, the Governing Council may approve the increase or fee, without restriction on the amount.

Student Affairs & Services, 3094-G Davis Building, 3359 Mississauga Road, Mississauga, Ontario L5L 1C6 Canada Tel: 905-828-3872 • Fax: 905-569-4652 • E-mail: sas.utm@utoronto.ca • Web: www.utm.utoronto.ca/sas

If QSS does not approve a fee increase, the administration is entitled to seek approval by the CAC of a maximum of: (a) a permanent fee increase of the lesser of the consumer price index (CPI) increase or the University of Toronto index (UTI) increase; and (b) a temporary increase of the greater of the CPI increase or the UTI increase.

The CPI for this year is 2.0%. Generally speaking, the UTI is an indexation of a fee which takes into account changes in salary and benefit costs, occupancy costs, and changes in enrolment. It is calculated separately for each fee. The result is an "indexed fee." For comparison purposes, each fee's UTI is represented here as a percentage:

UTM Athletics and Recreation Fee: -0.52%

UTM Health Services: 2.88% UTM Student Services: 7.11%

The University's very small portion of the U-Pass fees results in an indexation that is negligible. The indexation of the Summer Shuttle Fee, which is charged only to UTM-affiliated graduate students and undergraduate students registered in divisions other than UTM (e.g., Mississauga Academy of Medicine students), is included in the UTI for the Student Services Fee.

#### QSS Advice on Operating Plans, Budgets and Fees

For the associated compulsory non-academic incidental fees to be approved by QSS, they require the support of a majority of students present at the meeting when the votes are held, as well as a majority of the Committee overall.

At the QSS meetings held on January 16, 2015 and January 23, 2015, the administration made six proposals to QSS encapsulated in the six resolutions listed below. The outcome of each vote is provided below for the information of members of the Campus Affairs Committee (CAC) and Campus Council (CC).

#### **Working Group Deliberations**

Program/Service deliberations including budgets to place in a number of forums:

<u>The Governing Council on Athletics</u>: The members of this committee include the President of UTM Athletics Council, 3 appointed members by UTM Athletic Council, 1 undergraduate student, 1 UTM residence student, 1 graduate student, 1 alumna-alumnus, 1 administrative staff, 1 faculty member, Dean of Student Affairs and the Director of Physical Education, Athletics and Recreation

<u>The Athletic Program Sub-Committee:</u> The program subcommittee is comprised of a number of staff and students who meet throughout the year to discuss program ideas and issues. Meetings scheduled before the term begins assists staff in the formation of the years offerings. Departmental program staffs are available to meet with student leaders at any time to explore new ideas and program suggestions.

<u>The Athletic Budget Sub-Committee</u>: This working group is comprised of a number of staff and student representatives from the Department of Physical Education, Athletic Student Council and Residence Student Council. All students are encouraged and welcome to attend. Three meetings of this group took place with student and staff representatives from across campus including all student governments.

The working groups discussed:

- Budget pressures for 2015/16
- Staffing Requirements to meet programming and service demands
- Revenue Generation ideas (user fees)
- Sponsorship and Advertising
- Varsity/High Performance sports on this campus

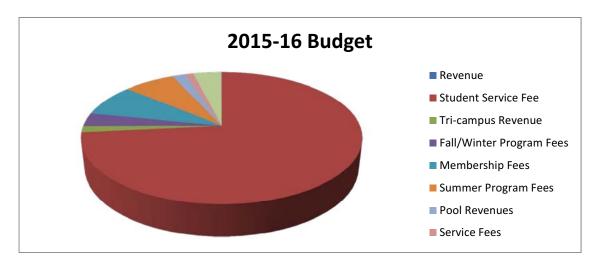

#### 2015 -2016 Budget

#### **Financial Highlights**

The 2015 -2016 operating plan and budget has been designed to maintain and continue to strengthen the co-curricular programs and activities, facilities and services offered by the Department of Physical Education, Athletics and Recreation.

#### **Revenues**

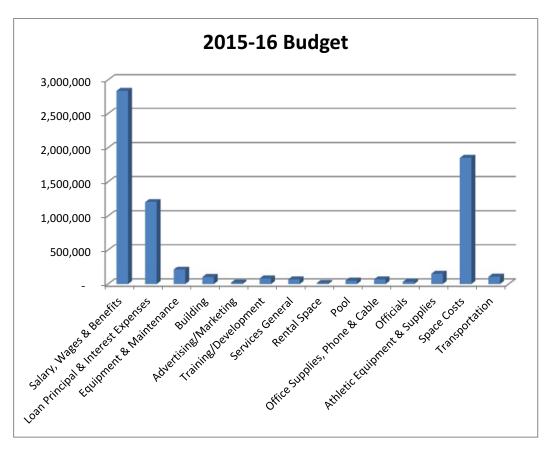

Revenues come from a variety of sources including: Student Service Fees, Community Membership Fees, Staff Plan A/B Fees, Locker and Towel Service, Can Fit Pro Courses, Personal Training and Assessments, Intramural Programs, Instructional Classes, High Performance Centre, Basketball Leagues, Summer Camps, Facility Rentals and Tri-Campus support. Some loss in field rental and membership revenue from the loss of a long term contract with the Toronto Argonauts was realized. Student Service Fees represent 73% of total forecasted revenues. The remaining 27% come from the various sources noted above.

#### **Expenses**

Significant expense increases over last year incurred in the cost of Salary, Wages & Benefits. These costs are largely due to contractual obligations related to staff employed in the department and the addition of two full time staff appointed positions. A position of Marketing and Communications co-ordinator is needed to centralize the marketing and communications efforts in support of our programs and services at all levels. Particular emphasis on a framework for marketing, advertising and sponsorship will assist in revenue generation in support of our program. An additional program co-ordinator is required to support the ever expanding intramural/ campus rec and varsity programs. It is worthy to note that we currently have approximately 400 casual staff working in various capacities throughout the year, the majority of whom are students. This number continues to grow as our program offerings expand. Other significant increases incurred in space cost including utilities, caretaking, campus police, field maintenance and administrative overhead. Expenses for building, equipment and maintenance, pool operation, mortgage, advertising and marketing, training and development, technical services, ice rentals, officials, athletic equipment, and general services and supplies remained relatively consistent over last year.

With the introduction of high performance sport on the UTM campus additional travel expenses have been included in next year's budget.

#### **Capital Contingency**

We continue to maintain the capital contingency. A capital contingency is a prudent business practice established to cover the expense of catastrophic failure on one of the major building systems (such as the moveable pool floor, dehumidification system, filtration system, moveable pool bulkhead) and for future upgrades and improvements to ensure that our indoor and outdoor facilities are up-to-date. It is recommended that a contingency of approximately 10% of operating expenditures be maintained for these purposes. Our current balance is \$509,507. This amount will be closely monitored and reviewed annually to ensure it is adequate to meet future demands.

#### Recommendation

On the recommendation of the working groups the proposed 2015 - 2016 Athletic student service fee per term is \$174.28 full time and \$34.86 part time. This is a 3.5% increase over the prior year. This represents an increase of \$5.90 for full time students and \$1.18 for part time.

#### Management Report of the Health & Counselling Centre

#### **Background**

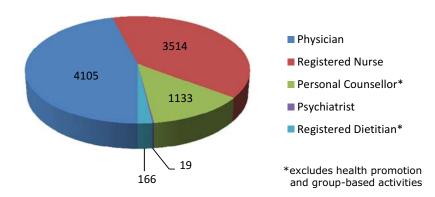

The Health & Counselling Centre (HCC) provides quality health and counselling programs and services to the students of UTM. The HCC strives to empower students in making healthier choices in order to be successful in their academic goals and future endeavours.

#### **Operational Highlights**

**Clinic Services**: The HCC clinical care team, consisting of family physicians, registered nurses, personal counsellors, a psychiatrist, registered dietitian and medical receptionists, support the physical, mental and emotional health of UTM students. Clinical services are appointment-based with allowances for scheduling of same day medical assessments and mental health crisis appointments. The Centre provides referrals to community resources where complex or specialist care is needed.

- 3,301 unique users of clinical services from Sept. 2013-Aug. 2014 (~1 in 4 students)
- High volume and complexity of mental health cases; 25% of physician time used for mental health-related care; non-crisis wait time is 3-4 weeks during peak periods
- Introduction of email appointment reminders
- Collaboration with Interim Place to provide access to an outreach worker to offer additional healing supports to young women who have experienced violence
- Continuation of counsellor-facilitated group therapy programs; enhances student support and increases availability of one-on-one counselling appointments

#### Appointments By Service Provider Type (May - Nov. 2014)

**Health Promotion & Outreach**: Health education initiatives organized by health promotion staff and student outreach teams (Peer Health Educators and Healthy Campus Crew) offer near-daily opportunities for UTM students to learn about their health and wellbeing, and to engage in healthier behaviours

- Organized *UTM Exam Jam* with campus partners to provide academic review sessions and wellness activities to support stress reduction and healthier study habits
- Offer *MoveU* campaign and programs (e.g., Sneaker Squad, MoveU Motivator, Ice Rink) to promote healthy active living in partnership with Department of Athletics
- Presentation of 2013 UTM National College Health Assessment data to accurately
  inform students of campus health behaviours (e.g., orientation leaders, sexual
  education centre, residence orientation, utmONE/FYE participants, varsity athletes)
- Coordinate regular safeTALK suicide alertness trainings for faculty, staff and students
- Participation in the Provostial Advisory Committee on Student Mental Health; support development of U of T framework on mental health (mentalhealth.utoronto.ca)

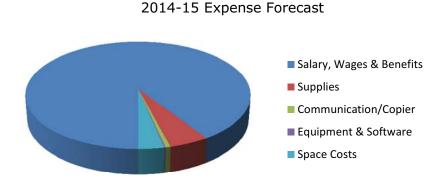

#### **Financial Highlights**

#### Revenue

Revenues come from two primary sources. The Student Service Fees accounts for 73% of total forecasted revenues. Medical insurance income (OHIP/UHIP) accounts for 25% of total revenues. The remaining revenue is generated from a combination of supply recovery, and recovery from the operating budget for services provided to staff and faculty.

#### **Expenses**

The most significant expense incurred by the Health & Counselling Centre is the cost of Salary, Wages & Benefits. These costs relate to the health care professionals contracted by the Centre (family physicians and psychiatrist) as well as the UTM employees that deliver clinical and health promotion services. Supplies and Space Costs make up the majority of additional costs, with Communications/Copier and Equipment & Software contributing a smaller amount to total expenses.

#### **Advisory Group Deliberations**

The Health & Counselling Centre advisory group consisted of 13 students including elected student leaders, service users, and interested students. Participation was strong across the three advisory group meetings: 27-Oct., 3-Nov., and 17-Nov.

Advisory Group Participants: Tasneem Abdelhaleem, Matthieu Barras, Vannie Fan (UTMRC), Connor Fitzpatrick (UTMAGS), Larissa Ho, Jennifer Lee, Yi Fei Lin, Yang Ning, Andjela Ocicek (UTMAC), Christine Odunlami, Felicia Phan, Ojaswita Singh, Melissa Theodore (UTMSU).

The advisory group reviewed the breadth of services provided to students by the Health & Counselling Centre and explored challenges with service provision and opportunities for service enhancement. The following recommendations were made:

- 1. Maintain current levels of medical service (i.e., nurses, physicians). Continue to recruit and retain top quality health professionals.
- 2. Additional staffing to reduce personal counselling wait-times and to better meet increased demand for mental health support provided by HCC health professionals.
- 3. Increase outreach and education initiatives around mental health, particularly online, to raise awareness of campus and community services, challenge stigma, and to support students in being better helpers.
- 4. Continued focus on collaborations (campus/tri-campus offices, student organizations).

#### 2015-16 Proposal to the Quality Service to Students (QSS) Committee

The 2015-16 budget proposes the following in response to the advisory group recommendations and the administrative needs of the department:

Addition of a **Mental Health Nurse** (1.0 FTE) to increase mental health supports and efficiencies in the intake, assessment and referral process:

- Initial point of contact (after reception) for new mental health concerns
- Perform initial intake assessments (currently performed exclusively by counsellors) and refer to appropriate next resource, e.g., personal counselling, group program, physician, community agency.
- Provide additional same-day crisis appointments
- Maintain up to date information about community mental health resources (e.g., shortest wait times, open groups)
- Build relationships with community mental health agencies for more effective referrals and additional supports

#### Recommendation

As a result, the proposed Health & Counselling Centre Student Service Fee is \$36.23 per UTM-registered or UTM-affiliated full-time student (\$7.25 for part-time students), an increase of \$2.56 (\$0.52 for part-time student) or a 7.6% increase.

#### **Management Report of the Shuttle Bus Service**

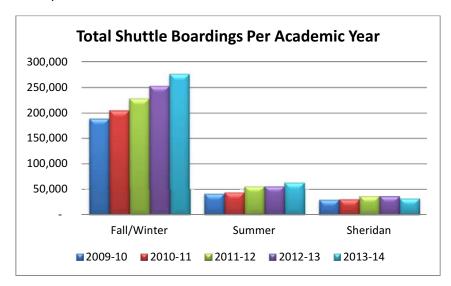

The objective of the UTM Shuttle Bus is to provide safe, cost-effective, customer-oriented transportation for UTM students to and from the U of T St. George campus and Sheridan College, Trafalgar campus. UTM students pay for use of the bus though the student service fee. Non-UTM students and others may ride the bus for a fare.

#### **Operational Highlights**

Bus service departs the UTM campus and the St. George campuses generally every 20 minutes during weekdays. Less frequent service is provided on Saturdays, Sundays and at night, during Reading Week, examination periods and in the summer. Buses also provide service to students travelling between UTM and Sheridan College based on ridership demand patterns.

Overall ridership of the shuttle buses to/from St. George and Sheridan has increased over the past several years due to various factors including:

- Student-initiated requests for additional trips to accommodate academic needs.
- Increased collaboration between campuses resulting in more cross-campus initiatives.
- Growing campus population.
- Affordability and environmental benefits of mass transit service use.

The Student Service fee increased approximately 2.0% in 2010-11, 6.3% in 2011-12, 6.1% in 2012-13 and 4.7% in 2013-2014, while total ridership has increased more significantly in these years (7.4%, 15.3%, 8.0% and 7.4%, respectively).

#### **Financial Highlights**

#### **Revenues**

Revenues come from two primary sources. Student Service Fees account for 72% of total forecasted revenues. The Student Service Fee of \$46.75 for 2014-15 per full-time UTM student, per semester allows unlimited access to the shuttle bus service. The remaining 28% of the revenue is generated from the sale of shuttle bus tickets or passes to non-UTM students, faculty and staff.

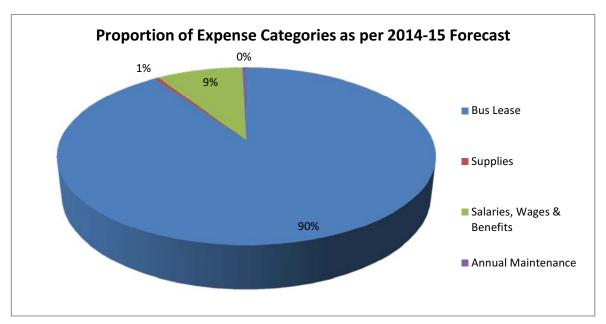

#### **Expenses**

The most significant expense incurred by the shuttle bus service is the cost of the bus lease. The bus lease includes all operating costs related to the buses, and includes but is not limited to the drivers' salaries and benefits, driver training, insurance, bus acquisition costs, maintenance and mechanics, fuel, repairs, and use of the dispatch service.

Salaries, wages and benefits relate to UTM employees working for the shuttle bus service. This would include any full-time, part-time or casual employee of the University who monitor and update the shuttle bus schedule, review and respond to enquiries, administer bus ticket sales, and prepare and monitor the budget.

Supplies expense is minimal and mainly related to the printing of bus tickets and schedules.

In 2013-14 a ticket vending machine was installed at the UTM shuttle bus layby which included a one-time purchase cost. Ongoing expenses include an annual maintenance cost which accounts for less than 1% of operating expenses. The maintenance costs include the collection of and reconciliation of cash, processing of credit card transactions, part repairs and maintenance of the machine, etc.

#### **Advisory Group Deliberations**

### **Management Report of the Career Centre**

The Career Centre's mission is to engage students in career development throughout their time at UTM and for two years after graduation. The Centre helps students to make career plans, based on self-knowledge and career information; seek relevant experience; make relevant networking connections and to learn the process of lifelong career management. Our aim is that students and recent graduates are able to act more purposefully and independently in their career development and develop skills to establish, advance and maintain their careers. We seek to accomplish this through collaboration with UTM partners, tri-campus partners and external partners such as alumni, employers, parents and industry representatives.

### **Operational Highlights**

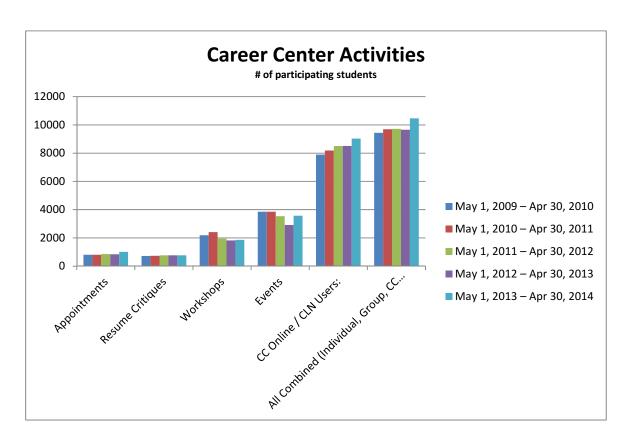

### 2014-15 Strategic Directions (set from 2013-14 planning process)

- 1. Continue to tailor to UTM student needs.
- 2. Develop intentional strategies to focus on attracting students for career development engagement.
- 3. Implement a plan for partner engagement.
- 4. Implement a plan to ensure CC staff have access to appropriate professional development and related information. Demonstrate this via our programing, marketing and individual services.
- 5. Enact a strategy for showing our impact.
- 6. Ensure that business processes and technology are in place to support the achievement of SDs 1-5 with efficiency and high quality.

### 2013-14 Statistics

- 10,459 unique students participated in Career Centre activities (does not include
  activities where student attendance was not logged e.g. Pop Up shops, majority of
  website usage, walk in traffic who do not have appointments). This number is an
  8% increase from previous year, as all categories increased except for critiques,
  which remained the same.
- Workshop feedback was increasingly positive: 97% of students were satisfied to very satisfied; 98% of students said they would recommend the session to a friend; 94% of learning outcomes were met, which are similar if not higher levels compared to the previous year.

- Individual appointments continue to be very popular and workshops and events had higher attendance than the previous year. Fair attendance jumped significantly, contributing to this increase.
- Students seen in Outreach increased slightly, as the Centre offered Pop ups more consistently and twice with employers.

### **Financial Highlights**

### **Revenues**

Student Service Fee revenue continues to make up the majority of revenues (98%).

### Expenses

Expenses are forecasted to be in line with budget except for Salary, Benefits & Consulting that is expected to be less than budget due to staff turnover, resulting in positions being unfilled for periods of time during the year.

Space Costs will increase because the center received additional space to allow staff previously sharing offices to have their own space.

Events and marketing are expected to increase over budget due to investment in professional display options.

PD & Travel is expected to be less than budget as staff were unable to attend major conferences in the summer.

### **Advisory Group Deliberations**

The Career Centre Advisory group met twice during the Fall Term 2014. There was one student representative from UTMSU, 3 from Residence Council, one Career Centre student staff member, one UTMAGs representative, 8 additional undergraduate students, one staff member from Business Services and 3 Career Centre staff members.

The advisory group reviewed current services and provided input and feedback on options. The following service recommendations received significant support from participants.

- 1. Continue with strategic directions (SDs) as per above.
- 2. Enhancements to SDs 1,2 and 3:
  - a. Clarify for students, faculty and staff how to best use the Career Learning Network e.g. videos, tipsheets, demos (SDs #1 & 2)
  - b. Increase messaging on importance and timeliness of key career development actions with concrete, with specific steps and actions suggested. Message delivery needs to be in a variety of forms e.g. pop ups, elearning, posters, student and alumni stories/testimonials. This messaging can be achieved by marketing, website information, partnerships with faculty, staff and students, combined with holistic student success messaging and needs to be repeated frequently (SDs #1,2,3)
  - c. Assist students in understanding how their programs of study will relate to their careers i.e. that there are a number of options beyond the obvious and encourage them to explore and be curious and the benefits of doing so, how to locate and use labour market information (SD # 1,2)

### **2015-16 Proposal**

### **Proposal to the Quality Service to Students committee (QSS)**

The 2015-16 budget proposes to meet the advisory group recommendations, which align with the administrative needs and priorities of the department. The fee impact is noted on the proposed fee schedule summary sheet.

### Recommendation

The Career Center student service fee is proposed to remain unchanged at \$54.68 per UTM registered or UTM-affiliated full-time student per semester (\$10.94 for a part-time student).

### **Management Report of the Child Care Center**

U of T's Early Learning Centre (ELC) operates the University of Toronto Mississauga's licensed Child Care Center.

The ELC at UTM is licensed for 26 children – 10 toddlers (ages 18 to 30 months) and 16 preschoolers (ages 30 months to 4 years). Full-time and part-time care is available, with priority given to UTM students, staff and faculty.

### **Operational Highlights**

ELC – UTM is recognized as a high quality service by Region of Peel Children's Services (PCS)

- June 2014 scored 3.7 out of 4 on the ROP Operating Criteria Checklist.
- November 2014 successfully completed another level of Raising the Bar Peel. We have now achieved the GOLD level 3 times.
- Provided ongoing opportunity for field placements for students in Early Childhood Program Studies Sheridan College.

ELC - UTM and Campus Collaborative Activities

- April-May 2014 Collaborating with Green House Department to assist ELC children with outdoor garden (growing vegetables, flowers, etc.). Ongoing with composting of fruit and vegetable food waste.
- July 2014 Paper Making Project with UTM's Green Team Department and ELC Preschoolers
- Ongoing Community of Campus- Partnership with Community Living Mississauga and UofT. The ELC hosts a volunteer student from the community on campus program.
- Currently hosting UTM student volunteer.
- UTM students employed as casual staff.

### **Financial Highlights**

### Revenues

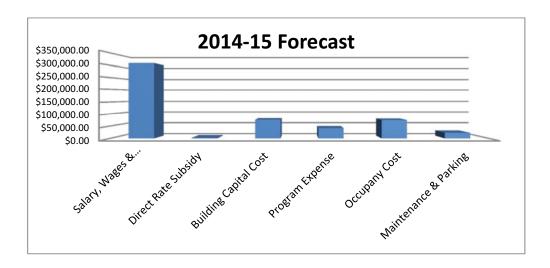

Revenues come from two primary sources. Student Service Fee accounts for 51% of total revenues. The 2014-15 Student Service Fee is \$8.41 per UTM student (full-time), per semester. The UTM Operating Budget contributes 16% of the revenue which is attributable to the cost of the building capital. The User Fees, make-up the remaining 33% of the revenue. The Child Care Center has 13 children enrolled in 12.0 FTE spaces; 85% are children of student families.

The 2014-15 Forecast includes an OTO Region of Peel transitional operating grant in the revenue and is expensed in program, equipment, staffing and maintenance costs.

### **Expenses**

The most significant expense incurred by the Child Care service is the cost of Salary, Wages & Benefits. However these expenses are less than anticipated in the budget because we held off on hiring a permanent teacher until later in the budget year when enrolment of children was higher.

Operating Reserve was established in 2013-14 to deal with unexpected increases in expenses that would have to be paid (i.e. staff salaries, programming for the children, replacement of major equipment/furnishings used by the children, space costs, market influences on enrollment, and possible changes in legislation). An additional \$13,500 reserve has been established in 2014-15, making the total operating reserve at \$33,500 by end of 2014-15. The target for the operating reserve is 10%, based on the principle used by the University, and is consistent with the St. George ELC. We have built up the operating reserve so that there is no additional cost to the UTM Student Fee.

### **Advisory Group Deliberations**

The Child Care advisory group met on November 10 and 21, 2014.

Working Group Participants: Vishal Thekkumpurath (UTMRC), Amir Morzzami (UTMSU), Francesca Dobbin (Family Programs & Services), Teresa Silva (ELC Supervisor), Karen Venneri (ELC Manager), Sonia Borg (Business Services).

The advisory group reviewed current enrolment statistics, overview of Region of Peel fee subsidy program, and outreach activities carried out to date to promote the services to UTM community.

### **2015-16 Proposal**

### **Proposal to the Quality Service to Students committee (QSS)**

The Child Care budget proposes the following in response to the advisory group recommendations:

- User fees based on 12.0 FTE (5 toddler + 7 preschool spaces).
- 1.5% user fee increase is planned for faculty, staff and students starting May 1, 2015
- Maintain same level of staff as 2014-15 budget year.

As a result, the proposed increase to the Child Care Center Student Service Fee is \$8.41per UTM-registered or UTM-affiliated full-time student (\$1.68 for a part-time student) or 0.00% increase.

### **International Education Centre Advising Appointments by Type**

<sup>\*</sup> May 1, 2014 - October 31, 2014

### **Financial Highlights**

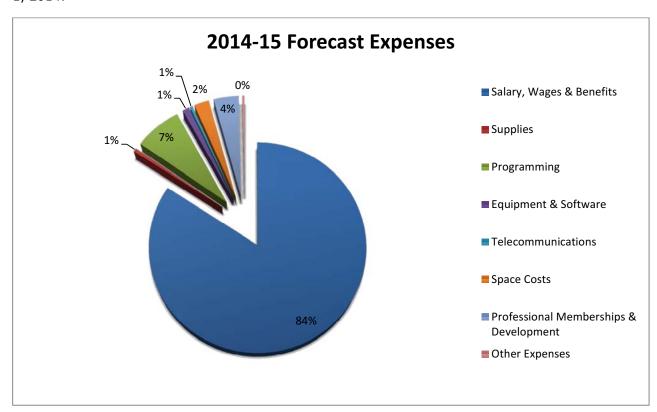

### Revenues

Revenues for the International Education Centre come from three primary sources. Student Service Fees accounts for 55% of total 2014-15 forecasted revenues. The UTM Operating Budget contributes 37% of the 2014-15 forecasted revenue. The 2014-15 Student Service Fee is \$7.09 per UTM student (full-time), per semester.

### **Expenses**

The most significant expense incurred by the International Education Centre service is *Salary, Wages & Benefits*. These costs relate to International Education Centre staff and students who advise students on service related matters, assist in the delivery of service related co-curricular programs, services, & initiatives, and manage, prepare & monitor the budget. The forecast includes an additional expense related to the addition of a term position within the operation to focus on the development of study abroad pathways for students for course work, research and internships abroad.

Additional expenses were incurred under *Programming*, which reflect increased spending related to the International Welcome Week, and *Space Costs*, which is representative of the new expanded office space the International Education Centre now occupies as of November 1, 2014.

### Recognized Group & Co-Curricular Record Fee, Proposal

There have been numerous empirical and conceptual research studies that support the benefits of student engagement in co-curricular activities. The University of Toronto Co-Curricular Record (CCR) provides a database of activities that allows students to search for opportunities beyond of the classroom, and keep track of their accomplishments, and link the competencies gained from their experiences to skills that employers and graduate schools look for. By completing CCR approved activities, students receive an official University of Toronto document validating their many out-of-classroom experiences.

### 2015-16 Recognized Group & Co-Curricular Record Fee

### Proposal to the Quality Service to Students (QSS)

The 2015-16 Student Service Fee budget proposes the introduction of a new *Recognized Group & Co-Curricular Record Fee*, within the existing *Student Service Fee*, in response to recommendations put forward by students of the University of Toronto Mississauga (UTM). This fee will support:

- 1. Recognized Group, CCR Administration
  - i. A validator for approved Student Union (UTMSU), Athletics Council (UTMAC), (Residence Council) UTMRC, and Association of Graduate Students (UTMAGS) Co-Curricular Record activities;
  - ii. A mechanism to actively recruit new faculty & staff to act as validators for recognized group (e.g. recognized clubs & academic societies) approved activities;
  - iii. Training and support for recognized groups seeking to introduce activities on the CCR (e.g. assistance aligning activities with appropriate competencies);
  - iv. Coordination of the UTM CCR Local Evaluation Committee, and Recognized Group CCR Sub-Committee;
  - v. Increased promotion of CCR activities, and the benefits of CCR activity participation.
- 2. Recognized Group, Activity Support
  - i. Support for existing recognized groups seeking renewal of their recognition, through compliance with University policies (e.g. audit documentation);
  - ii. Assistance for new student groups seeking recognition, through compliance with University policies (e.g. draft constitution advising);
  - iii. Oversight of academic space and table booking process for recognized groups;
  - iv. Coordination of recognized group audio visual rental rebate;

- v. Introduction of a recognized group risk-management framework, to assist recognized groups mitigate personal and group liability;
- vi. Implementation of a recognized group *Communities of Practice,* to support groups engaging in similarly themed activities.
- 3. Recognized Group, Good Ideas Fund
  - i. Introduction of a \$5,000 Recognized Group, Good Ideas Fund to aid groups seeking up to \$1,000 to enhance the student experience at UTM (e.g. film screening, professional development, performance, etc.).

The 2015-16 budget includes the addition of continuing staff member, casual fall/winter student staff, and some administrative costs under *Salaries, Wages & Benefits,* which will allow the Department of Student Life the capacity to achieve the proposal. Additional *Programming* costs exist to support the introduction of the *UTM Recognized Group Good Ideas Fund* and to support new *Communities of Practice*.

The proposed Student Service Fee is \$3.42 per UTM-registered or UTM-affiliated full-time student (\$0.68 for a part-time student) for 2015-16.

Operating Plans and Fees: UTM Student Services

### JURISDICTIONAL INFORMATION:

Under the Terms of Reference for the University of Toronto Mississauga Campus Affairs Committee, (CAC) Section 4, the Committee is concerned with matters that directly concern the quality of student and campus life. Campus and student services, co-curricular programs, services and facilities, and compulsory non-academic incidental fees are among the areas within the responsibility of the CAC (Section 5.1). Section 5.3.2 (a) of the Campus Affairs Committee's Terms of Reference provides that "...policy matters concerning the Campus's co-curricular programs, services and facilities" are the Committee's responsibility. Section 5.3.2 (b) states that "...annual approval of the campus's co-curricular programs', services' and facilities' operating plans is the responsibility of the Committee." Similarly, section 5.3.3 provides that "The Committee is responsible for policy concerning campus and student services and for overseeing their operation. Changes to the level of service offered, fees charged for services and categories of users require the Committee's approval." The Operating Plans for campus and student services, as well as cocurricular programs, services and facilities, are recommended to the UTM Campus Council for approval. Section 5.4.1 of the Committee's Terms of Reference require that compulsory nonacademic incidental fees for student services "are approved by the UTM Council on the recommendation of the UTM Campus Affairs Committee."

Pursuant to the terms of the Memorandum of Agreement between The University of Toronto, The Students' Administrative Council, The Graduate Students' Union and The Association of Part-time Undergraduate Students for a Long-Term Protocol on the Increase or Introduction of Compulsory Non-tuition Related Fees (the Protocol), approved by Governing Council on October 24, 1996, the UTM Quality to Service Committee (QSS) reviews in detail the annual operating plans, including budgets and proposed compulsory non-academic incidental fees, and offers its advice to the Committee on these plans.

Campus Affairs Committee - Operating Plans: UTM Student Services

According to the terms of the *Protocol*, in the absence of approval by QSS (or by referendum among the relevant students), the Governing Council may approve:

(a) permanent increases in existing fees by a percentage less than or equal to the lesser of the Consumer Price Index (CPI) increase or the University of Toronto Index (UTI) increase; and(b) temporary three-year increases in existing fees by a percentage less than or equal to the greater of the CPI increase or the UTI increase.

CPI is drawn from the University's long-range budget guidelines, and UTI is an indexation, as defined by the *Protocol*, of a fee.

- 4. Executive Committee [For Confirmation] (May 11, 2015)

### PREVIOUS ACTION TAKEN:

The Operating Plans for UTM Student Services for the current fiscal year were approved at the Campus Affairs Committee meeting held on February 10, 2014, and UTM Campus Council on March 5, 2014.

### **HIGHLIGHTS:**

See the documentation under item 4(a) on this agenda concerning consideration of the administration's proposed plans by the UTM Quality Service to Students Committee (QSS).

The current (2014-15) fees for the UTM Student Services are as follows:

Health & Wellness Fee: \$33.67 per session (\$6.73 for part-time students)

Physical Education & Athletics Fee: \$168.39 per session (\$33.68 for part-time students)

Student Services Fee: \$142.51 per session (\$28.50 for part-time students)

The experiences of Student Services and related programs this past year and operating plans for 2015-16 are summarized in the documentation provided to the Committee by Mark Overton, Dean of Student Affairs, UTM.

The Health & Counselling Centre proposes an increase to the sessional fee for a full-time student to \$36.23 (\$7.25 for a part-time student);

The Department of Physical Education, Athletics & Recreation proposes an increase to the sessional fee for a full-time student to \$171.76 (\$34.35 for a part-time student);

The Dean of Student Affairs proposes an increase to the Student Services sessional fee for a full-time

student to \$151.08 (\$30.22 for a part-time student).

Several increases are also proposed to the U-Pass and Summer Shuttle Service Fees.

The proposed fee increases are within the limits provided by the Protocol for consideration by the UTM Campus Council and its Standing Committees.

### FINANCIAL IMPLICATIONS:

The UTM Student Services operate without drawing substantially on the University's operating income.

### **RECOMMENDATION:**

Be it Recommended to the University of Toronto Mississauga Campus Council,

THAT the 2015-16 operating plans and budgets for the UTM Student Services (including the Health & Counselling Centre, the Department of Physical Education, Athletics & Recreation, and Student Services), recommended by Dean of Student Affairs, Mr. Mark Overton, and described in the proposals dated February 5, 2015, be approved; and

THAT the sessional Athletics & Recreation Fee for a UTM-registered or UTM-affiliated full-time student be increased to \$171.76 (\$34.35 for a part-time student), which represents a year-over-year increase of \$3.37 (\$0.67 for a part-time student) or 2.00% (resulting from a three-year temporary increase of 2.0%); and

THAT the sessional Health Services Fee for a UTM-registered or UTM-affiliated full-time student be increased to \$36.23 (\$7.25 for a part-time student), which represents a year-over-year increase of \$2.56 (\$0.52 for a part-time student) or 7.6% (resulting from a permanent increase of 7.6%); and

THAT the sessional Student Services Fee for a UTM-registered or UTM-affiliated full-time student be increased to \$151.08 (\$30.22 for a part-time student), which represents a year-over-year increase of \$8.57 (\$1.72 for a part-time student) or 6.01% (resulting from a permanent increase of 2% and a three-year temporary increase of 4.01% on the eligible portion); and

THAT the sessional (Fall and Winter sessions only) Mississauga Transit Fall-Winter U-Pass Fee be increased to \$92.81 and the Summer U-Pass fee be increased to \$57.65 for a UTM-affiliated graduate student, which represent year-over-year increases of \$7.66 or 9% (resulting from a permanent increase of 9%) and \$4.76 or 9% (resulting from a permanent increase of 9%) respectively; and

THAT the sessional (Fall and Winter sessions only) Summer Shuttle Service fee for a UTM-affiliated graduate student and a UTM-affiliated undergraduate student with non-UTM home faculty/division be decreased to \$4.41, which represents a year-over-year decrease of \$0.27 or 5.77% (resulting from a permanent decrease of 5.77%).

### **Highlights**

UTM's Health & Counselling Centre, with the endorsement of a fee increase from the Quality Service to Students Committee (QSS), will pursue the addition of a Mental Health Nurse (1.0 FTE) to increase mental health support and efficiencies in the intake, assessment and referral process to address the increasing number of students seeking care.

UTM's Department of Physical Education, Athletics & Recreation will pursue the addition human resources and financial support to fulfill commitments related to the campus' recent membership in the Ontario College Athletics Association and/or alter the balance of student and community use to generate additional sources of revenue, while adjusting other priorities in light of the temporary indexed fee increase available.

UTM's Student Services funded by the Student Services Fee will pursue the adjustment of priorities to meet their obligations, sustain service levels where practical, and provide enhancements within the temporary and permanent fee increase components available. This may include a reduction in services to student society space, changes to the student handbook, reconsideration of staffing support for UTM's participation in the co-curricular record and services for students seeking international experiences.

Questions?

### Frequently Asked Questions Concerning Compulsory Fees Charged for University Operated Services

At this meeting, the administration will present the proposed operating plans and fees associated with a number of University operated student for the upcoming fiscal year. The following frequently asked questions and answers are presented for the information of members.

### What policies govern fees charged for University operated student services?

Three U of T policies govern these fees: the *Policy on Ancillary Fees*; the *Policy for Compulsory Non-Academic Incidental Fees*; and the *Memorandum of Agreement between The University of Toronto, The Students' Administrative Council, The Graduate Students' Union and The Association of Part-time Undergraduate Students for a Long-Term Protocol on the Increase or Introduction of Compulsory Non-tuition Related Fees. <sup>1</sup> The Memorandum is commonly referred to as the <i>Protocol on Non-Tuition Fees* or simply the *Protocol*. The *Protocol* is considered to be both an agreement between the University and the student organizations as required by Ministry of Training, Colleges & Universities guidelines, and a policy of the University approved by the Governing Council. The policies are available on the Governing Council web site and are described on the page attached to this document.

### What is the Protocol?

The Protocol is the Memorandum of Agreement between The University of Toronto, The Students' Administrative Council, The Graduate Students' Union and The Association of Part-time Undergraduate Students for a Long-Term Protocol on the Increase or Introduction of Compulsory Non-tuition Related Fees. The Protocol describes the procedures and limitations associated with the establishment of and increases to compulsory non-academic incidental fees charged for University operated student services. Such a protocol is required pursuant to a guideline of the Ministry of Training, Colleges & Universities.

### What is UTI?

UTI is the University of Toronto Index. Generally speaking, UTI is an indexation of a service's fee which takes into account changes in salary and benefit costs, occupancy costs, and changes in enrolment. It is calculated separately for each fee. The result of the calculation is an indexed

<sup>&</sup>lt;sup>1</sup> Pursuant to a condition of the approval by the Governing Council in 2004 of the Scarborough Campus Students' Union (SCSU) as a 'representative student committee' of the University, the Students' Administrative Council (operating as the University of Toronto Students' Union, UTSU) continues to represent full-time undergraduate UTSC students for the purposes of the *Protocol* as an agreement. Full-time undergraduate students on the UTM campus continue to be members of UTSU and are represented by UTSU for the purposes of the *Protocol* as an agreement. Part-time undergraduate students on all three campuses are members of the Association of Part-time Undergraduate Students (APUS) and continue to be represented by this organization in respect of the *Protocol* as an agreement.

fee. For comparison purposes, it is sometimes described as a percentage increase from the previous year. Appendix C of the *Protocol* describes the method for calculating UTI. Appendix E illustrates examples of the calculations.

#### What is CPI?

CPI is the inflation factor equal to the Consumer Price Index as described in the University of Toronto's *Long-range Budget Projection Assumptions and Strategies* (or its equivalent).

#### What are COSS, QSS and CSS?

COSS is the Council on Student Services, QSS is the UTM Quality Services to Students group, and CSS is the UTSC Council on Student Services. Collectively, these are referred to as the "Protocol Bodies." Pursuant to the *Protocol*, the main duty of the Protocol Bodies is to provide advice to the Governing Council in respect of the services' operating plans, budgets and changes in fees governed by the *Protocol*. Pursuant to the *University of Toronto Act*, 1971, the Governing has delegated authority to approve compulsory non-academic incidental fees to the University Affairs Board and to the UTM and UTSC Campus Councils (both of which receive recommendations from the respective Campus Affairs Committees). The decisions of COSS, QSS and CSS (i.e., approval or failure to approve) related to operating plans and fees of student services are conveyed to the appropriate bodies of the Governing Council when the services' plans are under consideration.

# Are there limitations with respect to increases to fees charged for University operated services?

Prior to the approval by the appropriate bodies of the Governing Council, permanent increases to fees which are larger than the lessor of CPI or UTI require the approval of either: (a) approval of the relevant Protocol Body including a majority of the student members present at the meeting at which the fee proposal is considered;<sup>2</sup> or (b) the majority of the relevant students voting in a referendum.

<sup>&</sup>lt;sup>2</sup> Some refer to this as a "double majority" (i.e., among those present and voting at a duly constituted meeting of the Protocol Body, approval of the majority of the voting members, <u>and</u> approval of the majority of the student voting members.).

# If COSS, QSS, or CSS decline to recommend approval of operating plans and fees, what options are available to the administration?

If the relevant Protocol Body does not approve a proposed fee increase, the administration is entitled to seek approval by the Governing Council of:

- (a) a permanent fee increase of the lesser of CPI or UTI; and
- (b) a temporary (three year) increase of the greater of CPI or UTI.

#### What rules govern referenda concerning increases to student services fees?

Appendix D of the *Protocol* describes the procedures for referenda for increases in compulsory non-academic incidental fees covered by the *Protocol*. It provides that referenda must be conducted by mailing ballots (i.e., via Canada Post) to applicable students. The *Protocol* does not permit referenda to be conducted electronically via the Internet.

#### Are student societies required to comply with the Protocol in respect of their own fees?

No. However, student societies are required to meet the requirements articulated in the *Policy for Compulsory Non-Academic Incidental Fees*.

#### Why is there more than one fee?

Some fees for some specific services have existed for many years, in some cases decades. "Student Services" fees were introduced in 1993. The Student Services fees on each campus fund a range of programs and units. The *Protocol* specifically identifies a number of fees as following under its provisions, including the respective Student Services, Health Services, and Athletics and Recreation fees for each campus. The Hart House fee is also explicitly identified. In practice, the University treats all fees described by Category 1 of the *Policy on Ancillary Fees* as subject to the terms of the *Protocol*. With respect to the operations funded by each fee, the *Protocol* allows for the reallocation of resources in response to changing service demands. However, the reallocation may not, without appropriate approval, result in the creation of a new service or the discontinuation of an existing service.

#### Why aren't the fees indexed automatically?

fee.

The *Protocol* does not provide this as an option.

<sup>3</sup> In 2002, the University Affairs Board approved the separation of the St. George Campus Student Services fee into two fees, the Student Affairs fee and the Student Services fee (both of which funded a range of programs and services). In 2008, the University Affairs Board approved a proposal to combine the St. George Campus Student Services, Student Affairs, and Student Affairs fees into a single fee named the Student Life Programs and Services

# What's the difference between compulsory non-academic incidental fees and other ancillary fees?

"Compulsory non-academic incidental fees" include those charged for student services provided by the University, student societies, and special projects. Fees charged for University operated services fall under Category 1 of the *Policy on Ancillary Fees*, are subject to the provisions of the *Policy for Compulsory Non-Academic Incidental Fees*, and fall under the jurisdiction of the *Protocol*. Other ancillary fees are charged for a variety of items and services (e.g., library fines, and cost recovery fees for equipment that becomes the property of a student). The UTM and UTSC Campus Affairs Committees and Campus Councils, and the University Affairs Board, are responsible for matters concerning compulsory non-academic incidental fees. The Business Board is responsible for matters related to other ancillary fees.

#### Are incidental fee increases automatically covered by OSAP and UTAPS?

Both OSAP and UTAPS consider compulsory non-academic incidental fees to be part of the amount included in the assessment.

#### Are incidental fees for student services refundable?

No. The University charges the applicable compulsory non-academic incidental fees to all students, with very few exceptions. There are, however, some portions of student society fees for which students may receive a refund upon request directly from the student society.<sup>4</sup>

# How do students become aware of the services and organizations to which they pay fees?

The individual fees charged are listed in the student account information available through the web service of ROSI. Students become aware of the services and organizations through a variety of means including University print publications, the University's websites, student society handbooks, and various orientation programs including those offered by the various services.

# Who can I contact in the administration for more information about compulsory non-academic incidental fees and the University's practices concerning these matters?

The Office of the Vice-Provost, Students and First-Entry Divisions can answer questions concerning these matters.

Some conditions may apply.		

# Brief Summary of Relevant Polices and Regulations Which Govern Compulsory Non-Academic Incidental Fees at the University of Toronto

There are three University of Toronto policies which govern compulsory non-academic incidental fees and charges of these fees to students:

**Policy on Ancillary Fees**: The *Policy* describes categories of permitted ancillary fees including fees for services provided by the University (Category 1), fees for student organizations (Category 2), fees for special projects, including capital projects funded by a student levy through a student society (Category 3), cost recovery fees (e.g., equipment), user fees and fines (e.g., library fines), and system wide fees (e.g., University Health Insurance Plan).

**Policy for Compulsory Non-Academic Incidental Fees**: The *Policy* provides the requirements and conditions associated with compulsory charges Categories 1, 2 and 3, outlined in the *Policy on Ancillary Fees* (i.e., student services fees, student society fees, and special projects fees). The manner in which these fees are charged is also described. Specific requirements applicable to student societies are included in the *Policy*.

Memorandum of Agreement between The University of Toronto, The Students' Administrative Council, The Graduate Students' Union and The Association of Part-time Undergraduate Students for a Long-Term Protocol on the Increase or Introduction of Compulsory Non-tuition Related Fees: The "Protocol on Non-Tuition Fees" or simply the Protocol describes the procedures and limitations associated with the establishment of and increases to compulsory non-academic incidental fees charged for University operated student services (i.e., Category 1 of the Policy on Ancillary Fees). The terms of reference and rules of procedure for the Council on Student Services (COSS) is also provided. COSS has an advisory role to the University Affairs Board on the approval of St. George Campus and University-wide student services fees. Pursuant to the Protocol, the former faculty councils of UTM and UTSC established the UTM Quality Service to Students Committee (QSS) and the UTSC Council on Student Services (CSS) respectively. QSS and QSS provide advice to the UTM and UTSC Campus Affairs Committees and Campus Councils in relation to the consideration of student services fees charged only to students on those campuses.<sup>5</sup>

There is one key government guidelines on issues related to compulsory ancillary fees:

Section 5.2 of the *Ontario Operating Funds Distribution Manual* (Ministry of Training, Colleges and Universities) outlines conditions on charging non-tuition-related compulsory ancillary fees. In particular, the Ministry's guidelines require universities to establish protocols with student governments (defined as the minimum number of student organizations which have elected leadership and which when viewed in combination,

<sup>&</sup>lt;sup>5</sup>Innis College has established a Student Services Committee, which provides advice to the Innis College Council, and in turn, to the University Affairs Board.

represent all students charged compulsory fees) which set out the "means by which students will be involved in decisions to increase existing compulsory non-tuition-related ancillary fees or introduce new ones." The University's *Protocol* described above is mandated by this Ministry guideline. The guidelines became effective for the 1994-95 year and have not been reviewed or revised since.

interested in governance to contact the Deputy Returning Officer, Ms Cindy Ferencz-Hammond for more information. The Chair also noted nomination forms were available on the Office of the Campus Council website.

# 2. Presentation on Student Financial Aid: Mr. Richard Levin, Executive Director, Enrolment Services and University Registrar and Ms Donna Wall, Director of Financial Aid and Awards in Enrolment Services

The Chair invited Mr. Richard Levin, Executive Director, Enrolment Services and University Registrar and Ms Donna Wall, Director of Financial Aid and Awards in Enrolment Services to present. The presentation included the following key points<sup>1</sup>:

- Mr. Levin advised members that Enrolment Services produced reports annually on student financial support at UofT. He added that two video clips explaining student financial aid at UofT were available on the Financial Aid website one catered to students (<a href="https://www.youtube.com/watch?v=mgrWqarXcho">https://www.youtube.com/watch?v=mgrWqarXcho</a>), as well as a longer clip for community members (<a href="https://www.youtube.com/watch?v=KGzzL4mt6vY">https://www.youtube.com/watch?v=KGzzL4mt6vY</a>);
- Ms. Wall informed members she would be reporting on data from the 2012-13 year, however would shed light throughout the presentation on 2013-14 data where applicable;
- UofT annual student support was \$164 million for 2012-13, this would be comparable to the entire operating budgets of small to midsize universities;
- UofT's *Policy on Student Financial Support* does guarantee that each student could access the resources necessary to meet his or her needs using the Ontario Student Assistance Program (OSAP) as the common assessment mechanism. Ms. Wall added that within the policy there were specific guidelines on how the University would commit aid for each student group i.e first entry vs. doctoral;
- UofT met its funding commitment and has provided the most generous student support programs of any Ontario university or college;
- UofT OSAP students pay approximately 48 percent of the published cost and UofT was the only university to fund all costs not recognized by OSAP, which included living expenses;
- Ms. Wall provided information on core support programs available at UofT, which included need-based and merit-based aid, divisional grants and graduate funding packages;
- In 2012-13, 18 percent of all UTM students received OSAP. Over half of OSAP recipients (UofT) in direct-entry programs were from families with combined incomes of less than \$50,000;
- University of Toronto Advance Planning for Students (UTAPS) covered financial need greater than the maximum funding available through OSAP. OSAP recipients would not need to apply separately as they would be automatically considered. UTAPS has been entirely funded by the University of Toronto;
- Ms. Wall outlined other financial supports, which included the Ontario Tuition Grant, Meltz and Special bursary for part-time students and Work-Study;
- She noted that the average OSAP debt of UofT students was decreasing: in 2012-13, the average OSAP debt was the lowest level it had been in the last 5 years;

<sup>&</sup>lt;sup>1</sup> A copy of the Presentation is attached as Attachment A.

Page 3 of 7

• The range of student debt showed that students without OSAP debt were approximately 55 percent of the student population. Also, the number of students graduating with more than \$35,000 in debt has steadily decreased.

Mr. Richard Levin pointed members to the Enrolment Services website for more information on student financial aid.

#### 3. 2015-16 Operating Plans: UTM Service Ancillaries

The Chair informed members that the Committee considered operating plans for all UTM service ancillaries on an annual basis. These plans included a Management Report that described the proposed services and programs offered within the financial parameters of the University's operating budget and financial policies set by the Business Board. The plan also included each ancillary's annual operating budget, as well as changes to programs and levels of service, categories of users, accessibility, and compulsory or optional fees. This year, the plans reported on actual financial results for 2013-14, the forecast for 2014-15 and projections for the five year period, 2015-16 to 2019-20. Only the proposed budget for 2014-15 was presented for approval.

The Chair invited Mr. Paul Donoghue, Chief Administrative Officer, Mr. Chad Nuttall, Director, Student Housing & Residence Life and Ms. Vicky Jeziersky, Director, Hospitality & Retail Operations to present the item<sup>2</sup>.

- The university's four financial objectives for service ancillaries: operate without subsidy; provide for capital renewal; maintain a 10 percent operating reserve; and, having achieved all of these objectives, to contribute to the operating budget.
- Prior to being submitted to the Campus Affairs Committee, a number of bodies were involved in the consultative processes for service ancillaries, which included the review of Residence and Meal plans, Food Services and Parking with their respective advisory committees:
- Challenges within the Residence ancillary included unexpected maintenance repairs and the use of *Erindale Hall* as temporary swing space during the North Phase II building expansion. The occupancy rate of 95 to 96 percent was due to 'no-shows', students who had placed their deposit, but did not take up residence. The accumulated deficit of \$400,000 will be eliminated by 2016-17;
- Market comparison indicated that UTM residence rates were below average when compared to other Ontario universities, and were the lowest among U of T's 8 residences;
- The Food Services ancillary's challenges included extensive construction on campus, increased equipment costs for repair, replacement of the Director of Retail and Hospitality Service and other hires, and the expected increase of average food costs in 2014;
- UTM was at or below midpoint in a university market comparison of food service prices (UTM had a weighted score of 0.42, where 0.5 was the average);
- Regarding the Conference Services Ancillary, challenges for the ancillary included the loss of rental space as the Academic Culture English (ACE) and other academic-related programs have grown, major growth in general summer enrolments;

<sup>&</sup>lt;sup>2</sup> A copy of this Presentation is attached as Attachment B.

- Regarding the Parking ancillary, it was reported that since the introduction of the U-Pass demand for parking had decreased, however UTM remained a commuter campus and campus population would continue to grow. In consultation with the Transportation & Parking Advisory Committee, several options were reviewed that would allow for an effective response to parking concerns;
- The predicted annual 3% increase in parking rates had generated an operating surplus that would be used towards the construction capital reserve to partially fund a second parking deck, planned for 2016 (further discussed under Item 4);

In response to a member's question, Ms Jezierski advised that the Starbuck's renovation refresh valued at \$150,000 was a typical ask for such brands and UTM was obligated under licensee agreements to comply. Mr. Donoghue added that the contracts were held by Chartwell, however UTM was responsible for all capital investments and this was a conscious decision made by the campus in order to maintain quality of construction, and to avoid potential buyouts of undepreciated capital investments at the conclusion of contract.

A member inquired as to whether Conference Services would plan on seeking smaller conferences in the future as this would be easier to accommodate given increased enrolment and limited space. Ms Jezierski responded that the ancillary would explore a combination of strategies, which included smaller conference groups and the utilization of space during off-peak hours and days.

On motion duly moved, seconded, and carried

#### YOUR COMMITTEE RECOMMENDED

THAT, the proposed 2015-16 Operating Plans and Budgets for the UTM Service Ancillaries, as summarized in Schedule 1, the service ancillary capital budgets as summarized in Schedule 5, and the rates and fees in Schedule 6, as recommended by Mr. Paul Donoghue, Chief Administrative Officer, in the proposal dated December 1, 2014 be approved, effective May 1, 2015.

# 4. Capital Project: University of Toronto Mississauga Parking Deck Expansion - Report of the Project Planning Committee, Project Scope, and Sources of Funding

The Chair advised members that the Committee considered project planning reports and recommended to the UTM Campus Council approval in principle of such projects as was determined by the *Policy on Capital Planning and Capital Projects*. The Chair reminded members that non-financial aspects of the project planning reports were considered in *open session* and financial aspects including overall costs and amounts derived from various sources were considered *in camera*. The Chair invited Mr. Donoghue to present<sup>3</sup> the item.

Mr. Donoghue noted that over the past several years, there were significant improvements to the Mississauga public transit system. The most important factor in improving access to the campus using Mississauga Transit was the introduction of the UPass, which allowed unlimited use of MiWay at about one-ninth the cost of other frequent-user passes. The UPass was made available to all UTM

<sup>&</sup>lt;sup>3</sup> A copy of the presentation is attached as Attachment B.

6

students and paid for through a student ancillary fee. The impact of these improvements was dramatic as rates of demand for parking declined from a peak of approximately 30 spaces per 100 campus population, to between 15 to 20 spaces. Mr. Donoghue noted however that regardless of these improvements, for much of the campus population, the utility of public transit service to UTM is limited.

Mr. Donoghue advised members that the proposed project was to construct a second single-level parking deck above a portion of the largest surface parking lot at the south end of the campus, located across the Recreation Athletic Wellness Centre, adjacent to the existing parking deck. The deck would contain approximately 300 spaces and would address current and longer term shortages. He noted that this would bring the total campus inventory of spaces available in 2015-16 to 2374, just under 15 spaces per 100 total campus headcount (currently 2143 spaces). This year, faculty, students and staff who were unable to find a space were directed to Temporary Lot 11, which was used for construction workers and often serves a staging/mobilization purpose related to ongoing construction on the campus. In addition, in the last two years, UTM has been experiencing difficulties related to how long it took to find a parking space in the various lots, resulting in traffic backing up on campus and, at times, off campus (onto Mississauga Road and The Collegeway). This congestion has resulted in long delays for those who park, but also those that travel by bus, carpool or were dropped off.

Mr. Donoghue stated that until recently, a second parking deck was planned for spring, 2016. However, with the impending loss of Lot 1 in January, 2015 for the construction of the North Building Phase B, supply would decrease below what would be needed to provide an acceptable level of service to the UTM community, impeding daily operations of the campus, negatively impacting the overall student experience and UTM's community stewardship activities.

In response to a guest's question, Mr. Donoghue responded that parking services, as well as residence and food services ancillaries, do not contribute to the operating reserve. The only ancillary that has made such contributions is conference services.

On motion duly moved, seconded, and carried

#### YOUR COMMITTEE RECOMMENDED

- 1. THAT the Project Planning Committee Report for the Parking Deck Expansion at the University of Toronto Mississauga, dated November 10, 2014, be approved in principle; and
- 2. THAT the proposed construction of a single-level parking deck, on the site of an existing surface lot with a capacity of approximately 300 parking spaces, be approved in principle, to be funded by the UTM Parking Ancillary's Capital Reserve and internal financing to the Parking Ancillary from UTM's general Capital Reserves.

#### 5. Assessor's Report

Mr. Mark Overton advised members of items coming forward to the next meeting of the CAC, which included student services fees and UTM Student Society proposals for fee increases.

Mr. Overton encouraged members to register for the UofT Alert service (<a href="http://alert.utoronto.ca/">http://alert.utoronto.ca/</a>), which could send emergency communications directly to users' smartphones, and would also indicate snow closures.

#### **CONSENT AGENDA**

On motion duly moved, seconded, and carried

#### YOUR COMMITTEE APPROVED

THAT the consent agenda be adopted and that Item 6 - Report of the Previous Meeting, be approved.

- **6.** Report of the Previous Meeting: Report 7 November 10, 2014
- 7. Business Arising from the Report of the Previous Meeting
- 8. Date of Next Meeting Thursday, February 12, 2015, 4:10 p.m.

#### 9. Other Business

A member asked for clarification regarding details presented under Item 2. The member observed that it looked as though total grants issued to UTM were roughly 10 percent of the funds, however UTM's undergraduate student population was higher than 10 percent of UofT's. Professor Saini responded that student financial aid was distributed on the basis of need, and not based on enrolment.

As follow up to this item the Secretariat contacted the presenters Mr. Levin and Ms Wall, who provided the following additional information for the meeting report. OSAP capped the amount of tuition that was covered. For most Arts and Science programs, this was close to the actual tuition level, however for high fee programs like engineering, computer science or business, universities were expected to cover the difference in tuition, and U of T did this via UTAPS. This would partially account for why grants would not be proportional to enrolment. In addition, UTAPS funded most professional masters students, who are overrepresented in certain faculties. And finally, other factors such as the cost of housing would contribute to the needs of students, and therefore to the level of grants to which they are entitled.

The Committee moved IN CAMERA.

# 10. Capital Project: University of Toronto Mississauga Parking Deck Expansion: Report of the Project Planning Committee, Total Project Cost and Sources of Funding
