Dr. Michael Marrus, Dean  
School of Graduate Studies  
University of Toronto  
Toronto, Ontario

Dear Dean Marrus:

Re: OCGS Report Submission – Teaching

In consultation with the Department of English, we have decided that it is no longer viable to offer the MA(T) in English. Continuing low enrolment in the MA(T) as well as changes in departmental priorities have necessitated this decision. Effective immediately we will not accept new admissions to this program. We have developed a plan to phase it out that will allow currently enrolled students time to complete.

Sincerely,
