Professor J. J. Berry Smith
Chair, Committee on Academic Policy and Programs
c/o The Office of the Governing Council
Simcoe Hall

Dear Professor Smith:

RE: Report on Student Awards Established, Amended and Withdrawn:
July 1, 2003 to June 30, 2004

In accordance with the Policy on Student Awards, I am pleased to submit the enclosed annual summary for the Committee's information. We will also distribute copies of the Policy to members.

I am pleased to note that there were 211 new awards established in 2003-04. Prior to the various government and University matching programs beginning in 1996, the average number of new awards annually was generally about one quarter of this number. The matches provided have been noted on the list.

The Committee may also wish to note that only 7 awards were withdrawn over the period. Withdrawn awards are typically awards that are funded annually, where donors' commitments were time-limited or where their plans have changed.

At the meeting, I shall be pleased to answer any questions about the Report.

Sincerely
