ITEM IDENTIFICATION:

*Annual Report on Student Awards Established, Amended and Withdrawn:
July 1, 2015 to June 30, 2016*

JURISDICTIONAL INFORMATION:

The Policy on Student Awards specifies that the University Registrar report all new, amended and withdrawn awards annually to the Academic Board through the Committee on Academic Policy and Programs. Pursuant to the *Terms of Reference* (s. 4.9) Committee receives annual reports or such more frequent regular reports as it may determine, on matters within its purview, including reports on the following:

- Reviews of academic units and programs;
- Major modifications to programs, as approved by divisional Councils;
- Establishment and termination of transcript notations within existing degree programs;
- Student financial support; and
- Student awards.

GOVERNANCE PATH:

1. Academic Policy and Programs Committee [for information] [AP&P] (February 28, 2017)

PREVIOUS ACTION TAKEN:

None.

HIGHLIGHTS:

In 2014-2015, there were 188 new awards established in the University, with a total endowment value of \$14 million. A total of \$24,000 in expendable awards were withdrawn (withdrawn awards do not reduce the overall gain of new endowments). These awards were withdrawn because the donor commitment ended. In 2014-2015, the number of new awards established in the University was 177, with a total endowment value of about \$17.4 million. The comparable 2013-2014 numbers were 199 awards, and \$18.8 million.

FINANCIAL IMPLICATIONS:

There are no implications for the University's operating budget.
