Dear Ms. Girard:

Re: Master of International Trade in Forest Products degree program

The recommendation of the Academic Policy and Programs Committee of Governing Council to amend the degree designator for the Master of International Trade in Forest Products program has come to my attention.

I wish to confirm to the Academic Board that both SGS and the Faculty of Forestry are agreeable to have the degree designator be "M.I.T.F.P.", as proposed.

Yours sincerely,

Michael Marrus  
Dean  
School of Graduate Studies
