"The parties of the second part shall be entitled to have lectures in the University subjects as defined by *The University Act, 1901*, delivered by the professors and other instructors of the University of Toronto at Trinity College in all subjects of the general or pass course, and as far as practicable in all subjects of the several honour courses, but it is hereby declared that it is not intended that there shall be any duplication of lectures or other instruction for the purposes of which scientific apparatus or other means of demonstration are required which are not provided by Trinity College, and which cannot be conveniently taken from the University buildings to Trinity College.

"All arrangements for such lectures, including the time table of lectures and the personnel of lecturers, shall be made in such manner as to afford to the students enrolled at Trinity College the same advantages in regard to the University lectures as are afforded to the students of the other Arts colleges, and the said arrangements shall be made in each year by the President of the University of Toronto and the Provost of Trinity College, and, in the event of their being unable to agree on any matter, the same shall be forthwith referred for final decision to such person as they may designate in writing under their hands, and, in the event of the President and the Provost being unable to agree upon such referee within one week after such disagreement on any matter as aforesaid, such referee shall be appointed by the Minister of Education, and a decision in writing of such referee, by whomsoever chosen, shall be final.

"A site to be agreed on between the said parties hereto in or near the Queen's Park, in the City of Toronto, on the lands vested in the parties of the first part, shall be reserved for the parties of the second part, on which they may erect at their own expense a building for the use of the students of Trinity College while attending lectures in the University buildings.

"Such site shall be occupied by the parties of the second part free of ground rent and all other charges so long as the federation of the universities continue, but, in the event of the withdrawal of the parties of the second part from federation the said building shall be purchased from the said parties of the second part by the said parties of the first part at a valuation to be determined by the arbitration of two indifferent persons to be appointed, one by each of the parties hereto, their successors or assigns, and this provision shall be deemed to be and shall be a submission under *The Arbitration Act*.

"Until the erection of such building, students from Trinity College attending University lectures shall be allowed the use of some suitable rooms in one of the University buildings.

"Subsections 1 and 2 of section 43 of the said Act are hereby declared to be incorporated in and to form part of this agreement.

"The senate of the University of Toronto shall enact such statutes as may be necessary to enable the University of Toronto to confer on undergraduates and graduates of Trinity College the degrees provided for by subsection 2 of section 3 of *The University Act, 1901*, which are now conferred by Trinity University.

"The examination for the said degrees shall be conducted by the University of Toronto through examiners nominated by the parties of the second part, and the said degrees shall be conferred by the University of Toronto upon the report of the said examiners.

"All students of Trinity Medical College who have not matriculated at the date of the issue of the proclamation of the federation of the two universities shall be allowed two years from the date to matriculate in the University of Trinity College under the regulations in force at the date of federation."
