ITEM IDENTIFICATION:

Campus Strategic Priorities

JURISDICTIONAL INFORMATION:

Section 5.7 of Campus Affairs Committees’ Terms of Reference provides that the “annual budget is considered by the Committee for recommendation to the [UTM] Council for inclusion in the University’s annual operating budget.”

GOVERNANCE PATH:

1. UTM Campus Affairs Committee [For information] (October 29, 2019)
2. UTM Campus Council [For information] (November 20, 2019)

PREVIOUS ACTION TAKEN:

At meetings on October 30, 2018 and November 21, 2018, the Campus Affairs Committee and the Campus Council respectively received for information and advice a presentation on the themes and priorities of UTM’s proposed operating budget and its themes and priorities.

HIGHLIGHTS:

In this high-level overview of the campus strategic priorities, the Committee is being asked to consider, for information, the overall goals and direction of the campus with reference to the relevant planning information (e.g. [Academic Plan](#)).

The presentation will address enrolment, programs and services, capital projects, etc. In addition, the assessment of progress toward long-term goals and key priorities will be discussed.

This represents step two in the governance process for consideration of budget matters.

- (1) an integrated budget presentation to the Campus Affairs Committees and Campus Councils
- (2) an overview of the proposed campus strategic priorities;**
- (3) the Provost’s budget review meetings; and
- (4) governance consideration of the University’s operating budget.

Academic Plan 2019-2020 Priorities

- Sustainability initiatives (Global Climate Strike/STTPA Conference/Certificate)
- Writing and numeracy initiatives
 - Involves hiring of 5 new faculty and approval of a new EDU-A
- Assist departments to introduce/expand Experiential Learning opportunities (particular professional experience certificates)
 - Meet the needs of all departments to help integrate experiential learning into every student's degree.
- Oversee faculty growth and renewal
 - Support the development of research clusters in areas leading to new programs both at the undergraduate (e.g. social coding as well as robotics) and graduate (urban innovation) levels while ensuring strategic renewal within current departments.
- Enhance diversity of faculty and staff
 - Build an environment for success for all faculty and staff (introduce and improve training in terms of teaching and research)
- Arts, Culture, and Technology Building
 - Bridging areas across a range of departments and units: ICCIT, Computer Science & Robotics, Blackwood Gallery, UTM Indigenous Centre and more
