

# International Student Mobility

**Academic Affairs Committee | February 2020**

**Dale Mullings, PhD(c)**  
**Assistant Dean, Students &  
International Initiatives**  
University of Toronto Mississauga

**Tracey Bowen, PhD**  
**Associate Director ICCIT & Associate  
Professor Teaching Stream**  
University of Toronto Mississauga

UNIVERSITY OF  
**TORONTO**  
MISSISSAUGA

# Why Learn Abroad?

Learning abroad expands students' horizons by allowing them to experience **different academic and cultural environments** and by exposing them to diverse views.

Students develop **critical skills** while boosting their academic profile, making them **more attractive to employers** seeking talent who can work just as effectively in Shanghai as in Toronto.

# Learning Abroad Opportunities

Research Abroad

Professional Experience  
Abroad

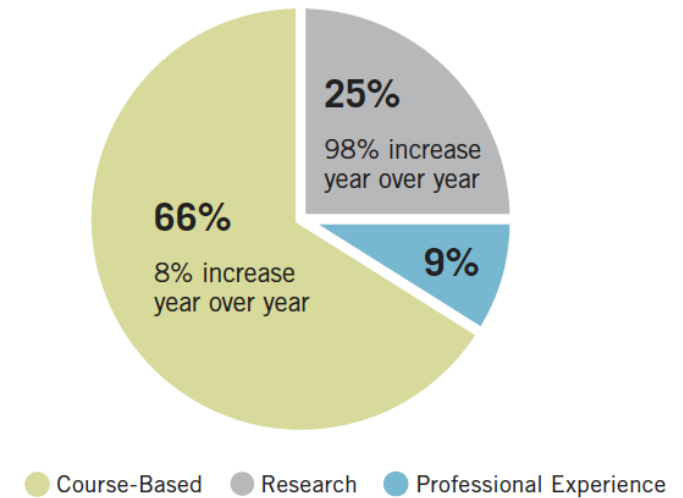

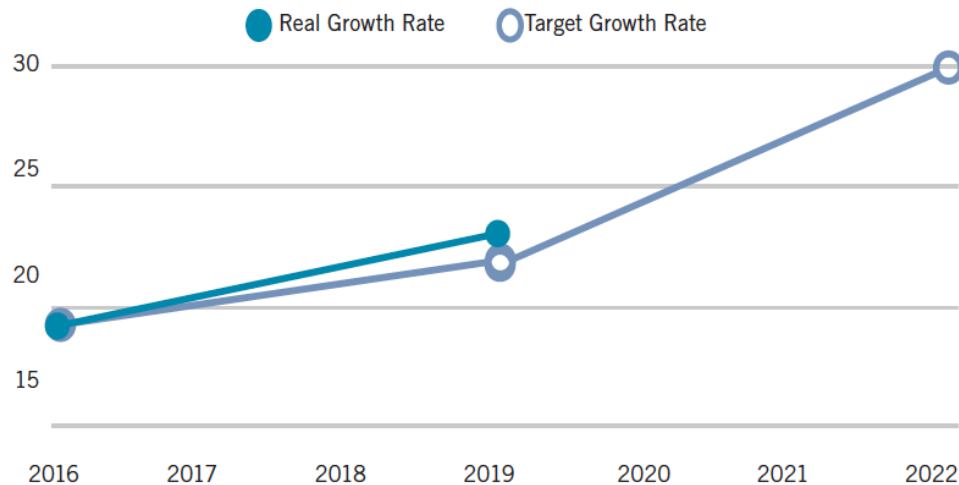

Summer Abroad

# International Learning Target

U of T's goal is to increase the number of undergraduate students who participate in an international learning experience by the time they graduate from **19% (in 2016) to 30% by 2022.**

## Undergraduate Student Mobility

# Department Mobility Pathways

- With 140+ partner institutions worldwide, the International Education Centre works with UTM academic departments to identify **department & program specific international partners** focused on **areas of strategic importance** for the department, such as summer programs, research or professional experiences.

INSTITUTE OF  
COMMUNICATION  
CULTURE  
INFORMATION  
& TECHNOLOGY
