## Background

Ancillary fees are fees charged to pay for services, materials, and activities that are not supported by operating grants, capital grants, or tuition fees. The University of Toronto introduced a Policy on Ancillary Fees in 1995 (the Policy), which translates the Ancillary Fee Guidelines provided by the Ministry of Colleges and Universities (MCU) into the University of Toronto context.

The Policy defines six categories of fees that may be established by the University:

- **Category 1: Services Provided by the University** includes fees for institution-wide and College-based student services, health services, athletics and recreation, and Hart House.
- **Category 2: Services Provided by Student Organisations** includes the costs of operating student societies and the cost of services provided by them, such as fees in support of student-initiated health plans, communications, and social and cultural services. The University acts as a collection agent for the student organisation, but the fees are passed directly to the respective student organisations.
- **Category 3: Student Levies for Specific, Limited Projects** includes fees established by student organisations for specific projects within the University which are designated by them. The University acts as a collection agent for the student organisation, but the fees are either passed directly to the student organisation or to a restricted account for the purpose designated by the organisation.
- **Category 4: Academic Surcharges for Extraordinary Cost** includes optional fees for extra services beyond those normally provided and required by a degree program or course, such as studio fees, cinema screening fees, laundry fees, or computing fees when additional computing time is made available to students at their option.
- **Category 5: Cost Recovery Ancillary Fees** include fees for publications, case studies, laboratory manuals, field trips, clothing, equipment, goods or services provided to students for their exclusive use; charges for various forms of non-credit remedial instruction; and materials, services, or licenses where the University acts as a broker with a vendor on behalf of students.
- **Category 6: Administrative User Fees and Fines** include fees for special registration arrangements, optional copies of records, special arrangements relating to examinations, placement fees, library fines, registration fees, and other services.

In January 2019, the Minister of Colleges and Universities announced a new framework for ancillary fees. Changes to the ancillary fee framework allowed students to opt-out of incidental fees that fund some services and activities, while protecting fees that fund mandatory core services and facilities such as athletics, recreation, and health and counselling services. This new provision, called the “Student Choice Initiative” (SCI) was implemented in Fall 2019. In November 2019, Ontario’s Divisional Court struck down this new provision in the ancillary fee framework, finding it inconsistent with universities’ autonomous governance. At the time of writing this report, an appeal of this decision is pending. In the interim, implementation of ancillary fee opt-outs for the Winter 2020 term and beyond have been suspended.

It should be noted that in the UofT context, the SCI applies to ancillary fees in categories 1, 2 and 3 of the *Policy* which are governed by the University's *Policy on Compulsory Non-academic Incidental Fees* and fall under the

responsibility of the University Affairs Board. The SCI does not apply to the cost recovery ancillary fees or administrative user fees and fines (categories 5 and 6) that are the subject of this report.

Category 5 Cost Recovery Ancillary Fees and Category 6 Administrative User Fees and Fines may be adjusted annually by administrative authority of the Vice President, Operations and Real Estate Partnerships, provided that changes relate to cost of materials or services provided. These changes are reported annually to the Business Board for information. The schedules of Category 5 Cost Recovery Fees and Category 6 Administrative User Fees and Fines for 2020-21 are attached.

In total, there are 851 fees in Category 5, and 236 fees in Category 6. Of these combined fees, roughly two-thirds will remain unchanged or be reduced in 2020-21, 98 fees are new, and an additional 109 fees will see an inflationary increase of 5% or less. There are 154 fees that will increase by more than 5%, based on factors such as enhanced material costs, updated vendor prices, and the impact of foreign exchange. In addition, some of these fees are being increased for the first time in several years or increased from a low amount.

The University also publishes a schedule of fees charged to individuals who are not enrolled as UofT students, such as application and admission deferral fees for applicants, or licensing and degree verification fees for alumni. These fees are not subject to MCU ancillary fee guidelines or the *Policy* described above. These fees are provided for information in appendix D.

In 2018-19, Category 5 and 6 ancillary fees generated approximately \$27 million in revenue for the University's academic and shared services divisions, which closely matched the costs of providing the relevant services.

## Appendix A: Policy on Ancillary Fees

In Addition to the Tuition Fee Schedule, there shall be a Schedule of Ancillary Fees. The schedule will be organised as follows:

### 1.0 Student Services provided by the University<sup>1</sup>

1.1 Student Services; 1.2 Health Services; 1.3 Athletics; 1.4 Hart House; and 1.5 Constituent College Fees (excludes college library fees which are prohibited)

### 2.0 Student organisations and services provided by such organisations<sup>2</sup>

2.1 Student society fees including any portion thereof in support of student initiated health plans and communications; 2.2 Social and cultural services (excluding Hart House); and 2.3 Other fees levied by student organisations to cover the costs of operating the organisations or services provided by them. The University may act as a collection agent for the student organisation, but the fees will be passed directly to the respective student organisations.

### 3.0 Student levies for specific, limited projects<sup>3</sup>

Student organisations may establish levies for specific, limited projects within the University which are designated by them. The University may act as a collection agent for the student organisation, but the fees will either be passed directly to the respective student organisation or to a restricted account for the purpose(s) designated by the organisation.

All fees in Categories 1.0, 2.0 and 3.0 that are compulsory will be governed by the University's Policy on Compulsory Non-academic Incidental Fees. The application of the Policy will not preclude the assignment of Category 3.0 Student levies for specific, limited projects to academic purposes.

### 4.0 Academic surcharges for extraordinary cost

4.1 Studio Fees; 4.2 Cinema Screening Fees; 4.3 Laundry; and 4.4 Computing Fees. Compulsory ancillary fees normally may not be levied for these services. The only exception may be for extra services beyond those normally provided and required by a degree program or course, as for example when additional computing time is made available to students at their option.

### 5.0 Cost Recoveries<sup>4</sup>

5.1 Publications, case studies, laboratory manuals; 5.2 Field trips; 5.3 Clothing; 5.4 Equipment purchases that become the property of students; 5.5 Equipment rentals that, for the period of rental, come into the individual possession of students; and 5.6 Other goods and services provided individually to students for their exclusive use. Charges for various forms of non-credit remedial

---

<sup>1</sup> All fees in this category are compulsory. The Ministry of Colleges and Universities' Compulsory Ancillary Fee Policy requires that protocols be established in order to increase or add new fees to this category.

<sup>2</sup> In accordance with the Ministry of Colleges and Universities' Compulsory Ancillary Fee Policy fees established by student governments, including those resulting from referenda sponsored by them are excluded from the protocol requirement.

<sup>3</sup> Such fees must be approved by student referenda as required by the Ministry of Colleges and Universities' Compulsory Ancillary Fee Policy. These fees are exempt from the protocol requirement of the Ministry's policy.

<sup>4</sup> Such fees, whether or not they are compulsory, are exempt from the Ministry of Colleges and Universities' Compulsory Ancillary Fee Policy protocol requirement.

instruction, if provided, may be included here; and 5.7 Materials, services, or licenses where the University acts as a broker with a vendor for the student.<sup>5</sup>

Fees charged to recover costs must relate to those costs, and may not exceed them, or a reasonable estimate of them. The only cost recoveries that may be charged are those shown on the University Schedule of Cost Recovery Fees, which initially shall be the list of cost recoveries shown in the University's submission to the Ministry of Training & Education, February 16, 1987. The fees shown on the Schedule may be adjusted annually by administrative authority (the Vice-Provost, Planning & Budget) provided that the adjustments relate to changes in cost, and are for goods and services that comply with the Policy on Ancillary Fees. All changes shall be reported annually to the Business Board for information.

## **6.0 Administrative user fees and fines<sup>6</sup>**

6.1 Registration fees; 6.2 Records and documents (excluding diplomas and certificates, for which no fee may be charged except for replacements); 6.3 Examination and grades (excluding initial grade reports, for which no fee may be charged); 6.4 Co-op program placement fees; 6.5 Library fines; and 6.6 Other administrative user fees or fines shown on the University Schedule of Administrative User Fees and Fines.

Administrative user fees must relate to the costs of the services provided, and may not exceed them, or reasonable estimates of them. The only administrative user fees and fines that may be charged are those shown on the University Schedule of Administrative User Fees and Fines. The fees and fines shown on the Schedule may be adjusted annually by administrative authority (the Vice-Provost, Planning & Budget), provided that the adjustments relate to the costs of the services provided. All changes shall be reported annually to the Business Board for information. The introduction or removal of a fee from the Schedule must be submitted to the Business Board for review and approval.

## **7.0 General program support**

Other than tuition fees, no fees may be levied for general program support, except as provided for in Category 3.0, student levies for specific, limited projects.

## **8.0 System Wide Fees<sup>7</sup>**

8.1 University Health Insurance Plan (UHIP). Such fees are established through a formal agreement under which students at all Ontario universities pay a comparable fee for a comparable service. Such fees are exempt from the Ministry of Education and Training's Compulsory Ancillary Fee Policy protocol requirement.

---

<sup>5</sup> This is a new category introduced by the Ministry of Colleges and Universities. For the University of Toronto, this category replicates Category 5.4.

<sup>6</sup> All fees in this category are exempt from the Ministry of Colleges and Universities' Compulsory Fee Policy protocol requirement.

<sup>7</sup> This is a new category introduced by the Ministry of Colleges and Universities policy. The UHIP fee is actually a Council of Ontario Universities fee which is reported here for information.
