Annual Report on Cases of Non-Academic Discipline: 2019-20

**JURISDICTIONAL INFORMATION:**

Section 5.6 of the *Terms of Reference* for the University Affairs Board provides that:

The Board receives, annually from its assessors, reports on matters within its areas of responsibility, (for example, but not limited to, trademark licensing, **non-academic discipline**, and submission of audited financial statements of student societies) including statements of current issues, opportunities and problems, and recommendations for changes in policies, plans or priorities that would address such issues.

Section 5 of the *Memorandum on the Maintenance and Use of Records of Non-Academic Discipline Proceedings*, which is appended to the *Code of Student Conduct, 2002*, provides that:

Decisions of the Hearing Officer, including the name of the respondent, the offence and the sanction, shall be reported to the Vice-President & Provost, who shall convey the information, anonymously and in statistical form, annually to the University Affairs Board.

**GOVERNANCE PATH:**

1. **University Affairs Board [For Information] (November 24, 2020)**

## **PREVIOUS ACTION TAKEN:**

The previous report was presented to the University Affairs Board on November 13, 2019.

## **HIGHLIGHTS:**

The *Code of Student Conduct*, together with other specific codes of conduct such as residence, athletics facilities, and library use codes, sets out expectations for student behaviour and prescribes processes for dealing with behaviour that is prohibited under the *Code*.

On December 13, 2019, Governing Council approved technical changes to the Code of Student Conduct to align the Code to the *Policy on Sexual Violence and Sexual Harassment*.

- 1) Change the definition of sexual violence in the Code of Student Conduct to align with definition under the Policy on Sexual Violence and Sexual Harassment.
- 2) Clarify that the “Division Head”, as outlined in the Code, is the Vice-Provost, Students for offences of Sexual Violence and Sexual Harassment.
- 3) Changes to the range of sanctions a Hearing Officer may impose and clarifying the Hearing Officer’s ability to adjust the process of the Hearing as appropriate.
- 4) Other changes including updating the language pertaining to vexatious conduct to reflect the Ontario Human Rights Code, update the names of relevant offices, and clarify various administrative processes.

The *Code of Student Conduct* provides that decisions of Hearing Officers are conveyed to the University Affairs Board. For reporting purposes, the reporting year corresponds to the academic year - from July 1 - June 30. The data is collated based on the academic year in which a case is closed.

*Code of Student Conduct* cases may be concluded by a number of means; including an informal resolution, a hearing, the withdrawal of charges or addressing the matter under another code, policy or guideline

In January 2017, the University implemented the *Policy on Sexual Violence and Sexual Harassment*. As per the policy, where the respondent is a student, the matter may be referred to Hearing through *the Code of Student Conduct*. In such cases, the section of this report pertaining to Hearings will contain data should any Sexual Violence cases conclude by Hearing in the reporting year.

The information presented within this report relates to concluded *Code of Student Conduct* cases for the 2019-2020 academic year. The report provides statistics regarding types of offenses, divisional statistics, interim measures and conditions, concluded cases, and timeliness under the *Code of Student Conduct*.

## **FINANCIAL AND/OR PLANNING IMPLICATIONS:**

There are no financial implications.

\* The School of Graduate Studies oversees the administration of the Code for Graduate Students in consultation with the home division.

**Note:** As laid out in Section B of the *Code of Student Conduct*, behaviour deemed to be offenses under the *Code* may be dealt with as “a failure to meet standards of professional conduct as required by a college, faculty or school” or such behaviour can be assigned to “a divisional disciplinary body”.

<sup>2</sup> For the purpose of the statistics presented by Division it is important to note that these statistics reflect individual cases. There are several examples of cases with more than one respondent. In most of these cases, the respondents are from different divisions or have different offenses associated with their cases and are reflected in the data individually.
