1. Ontario Ministry of Labour (MOL) & Public Health Visits and Orders

During this reporting period, the MOL contacted us seven times, including twice at UTM and four times at St George to review measures and procedures implemented to manage reported COVID-19 positive cases, and to follow up on a complaint. There was one visit at UTSC related to asbestos.　No orders issued.

During this reporting period Toronto Public Health (TPH) notified the university of three anonymous complaints regarding allegations of COVID-19 non-compliance on the St George
