Students Registered with Tri-Campus Accessibility Services

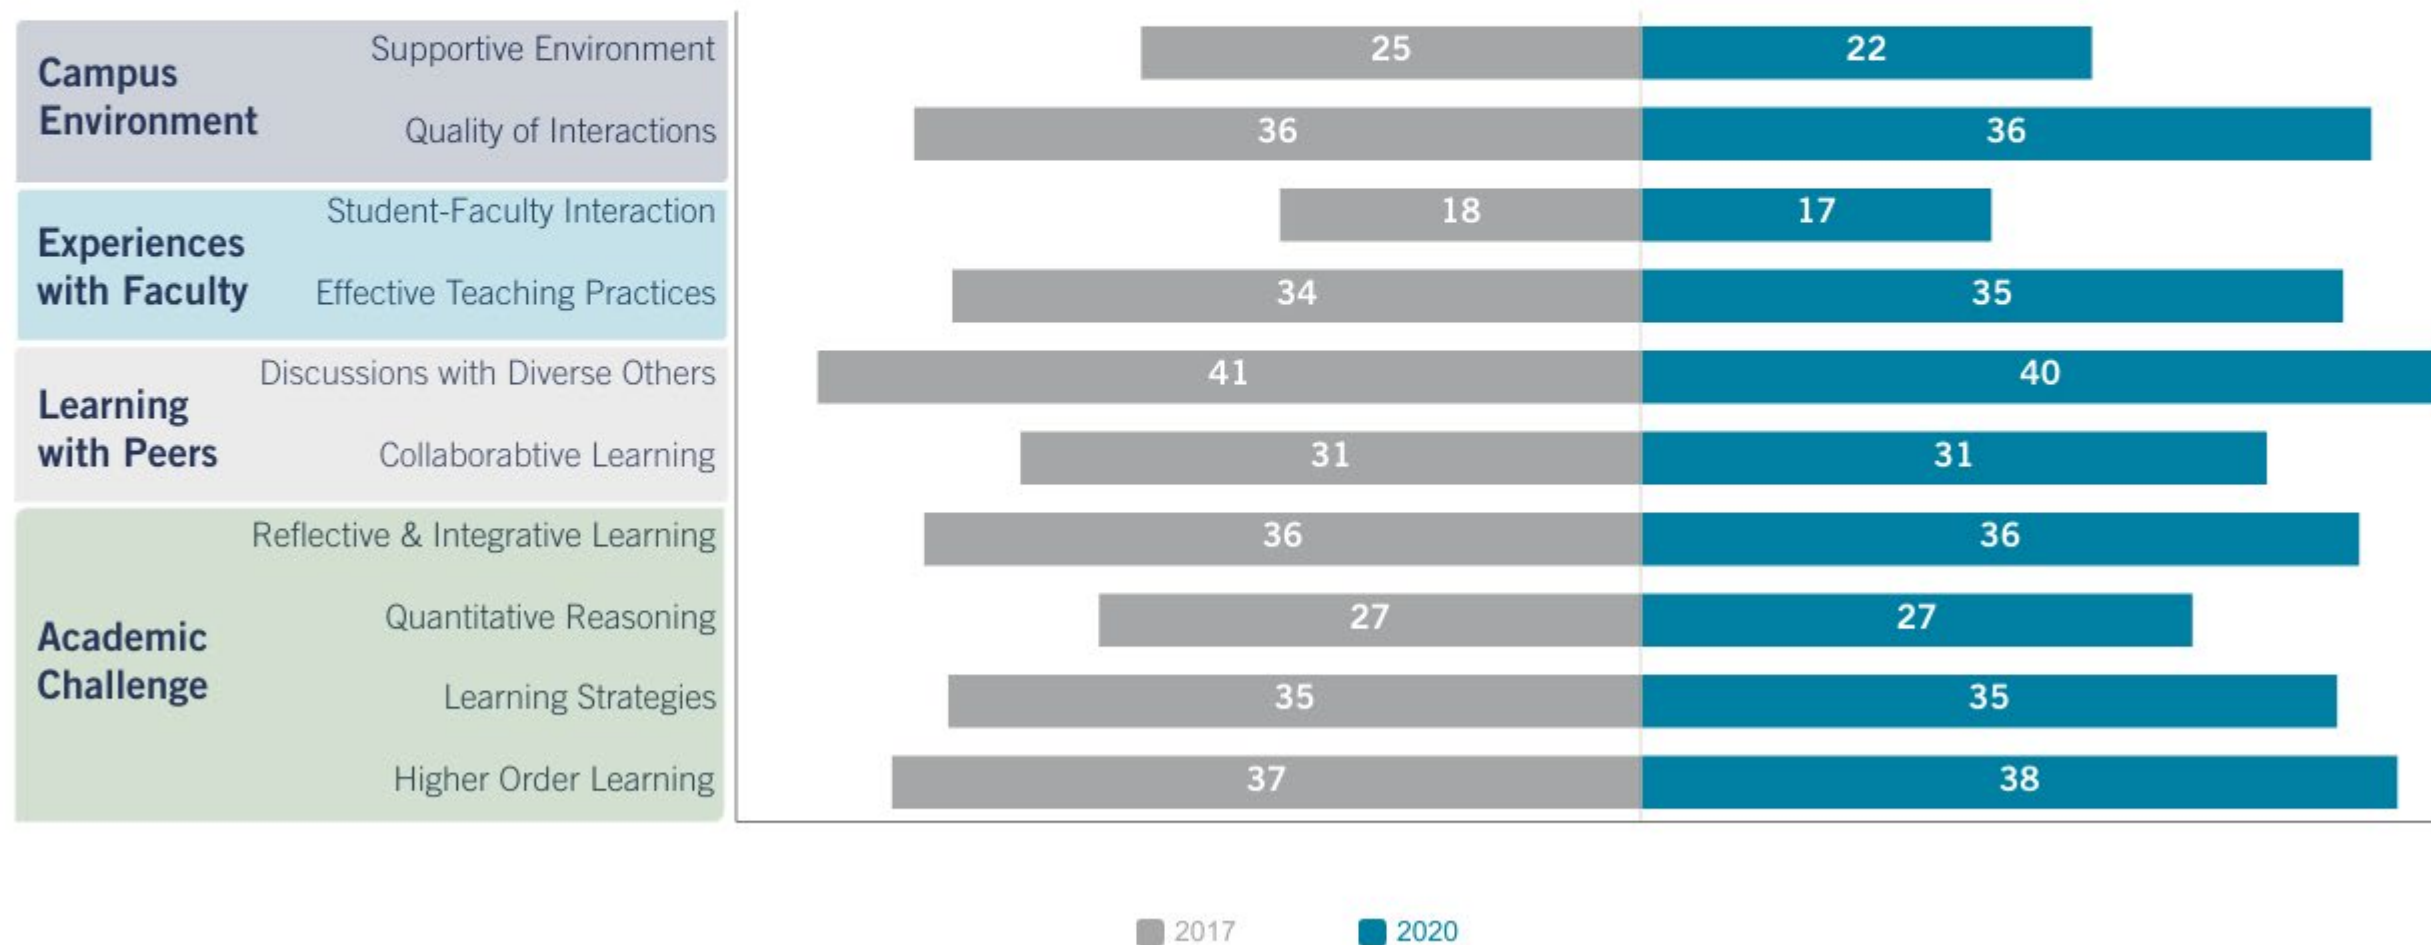

Accessibility Services

The number of students registered with accessibility services across all three campuses has increased by **13%** annually over the last 10 years. This compares to enrolment growth of **2%** annually over the same period.

National Survey of Student Engagement

Engagement Indicator Results, 2017 vs. 2020

Experiential Learning

Total Number of Graduating Students Who Have Taken Courses with an Experiential Learning Component

This analysis refers to the number of graduating students who have participated in at least one course with an experiential learning component. There are many other types of experiential learning experiences available at U of T that are not included.

There has been a 13.5% increase in the number of graduates who have taken courses with experiential learning components from 2017 to 2020.

Retention & Graduation Rates

University of Toronto Retention & Graduation Rates vs Average for Other Ontario Universities

Employment Rate

The Employment Rate

Represents graduates, in the labour market, who indicate they have found employment 2 years after graduation. The 2-year employment rate for UofT graduates has increased, reaching 94.3% for 2017 graduates.

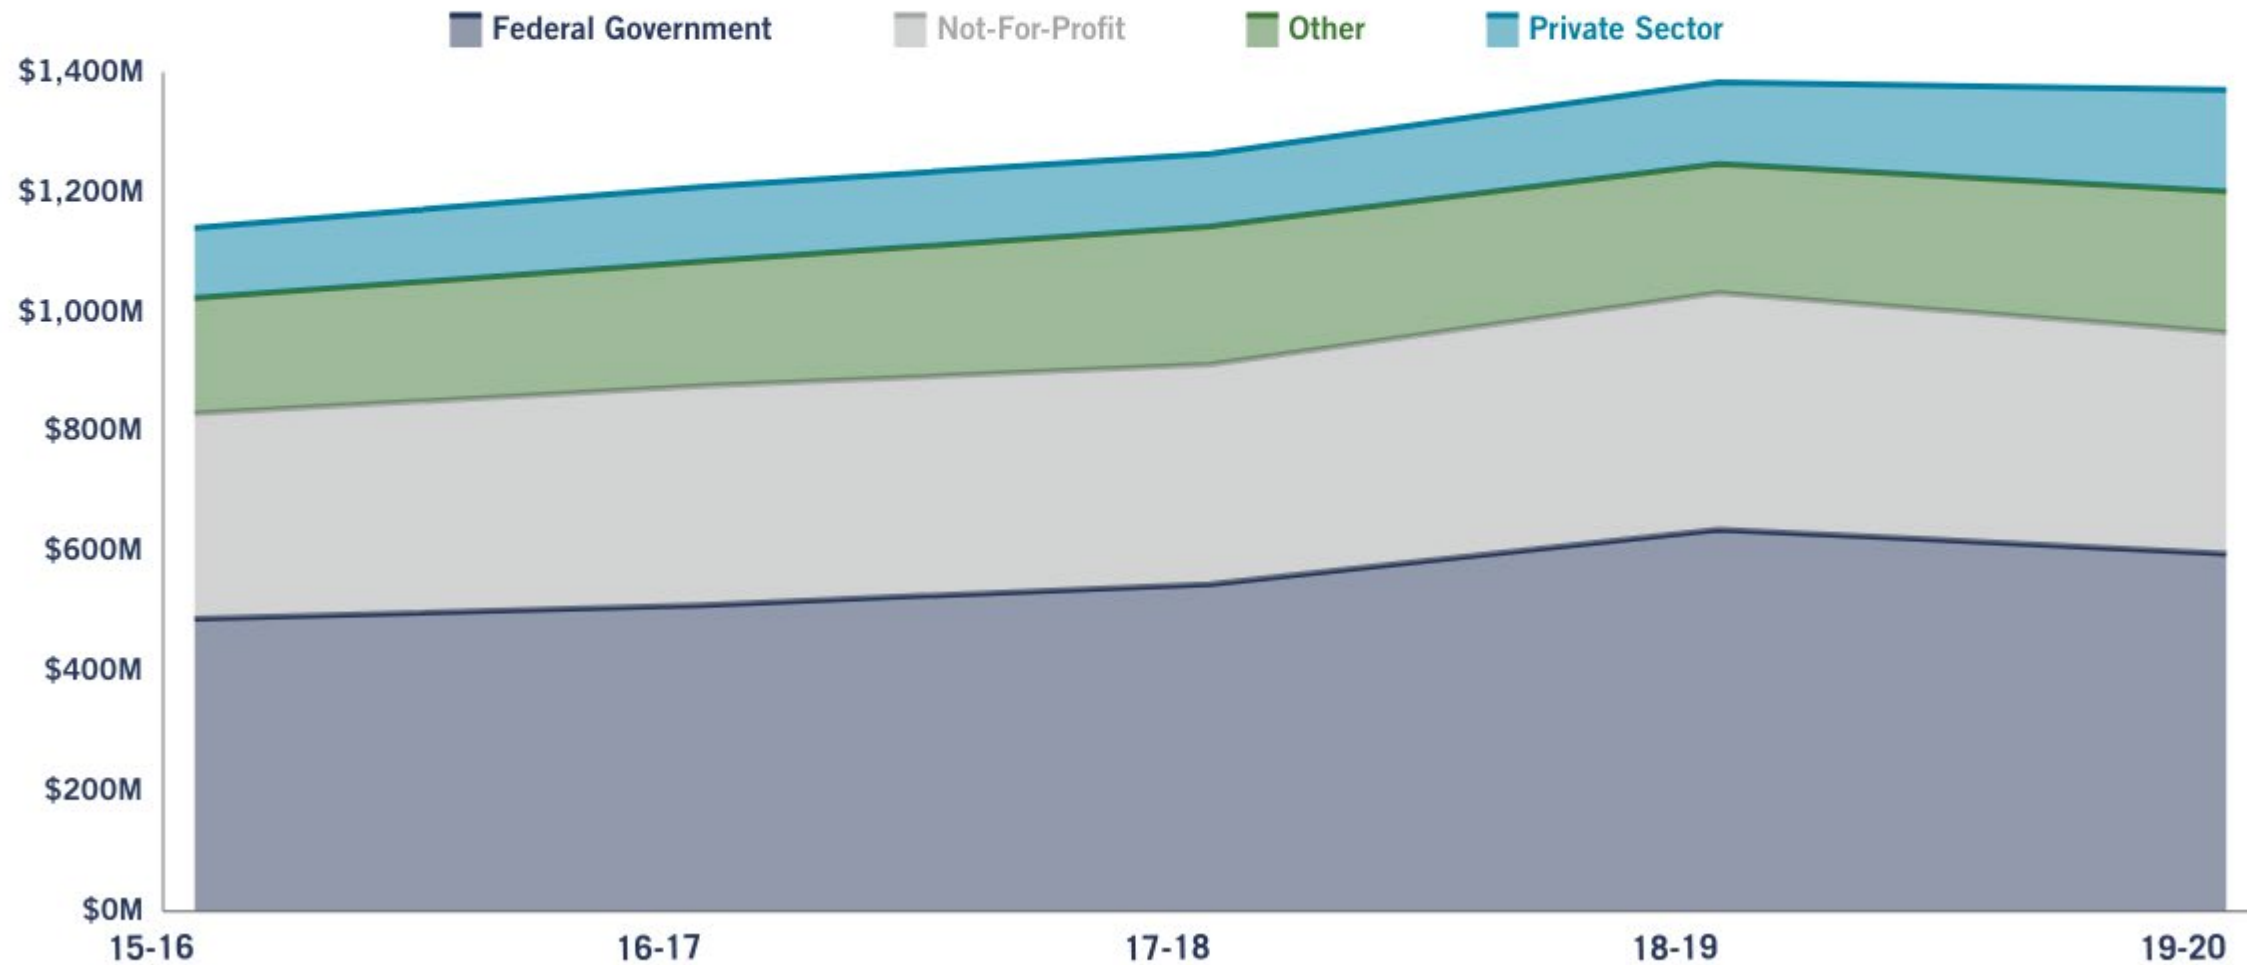

Research Funding

By Type (2019-2020)

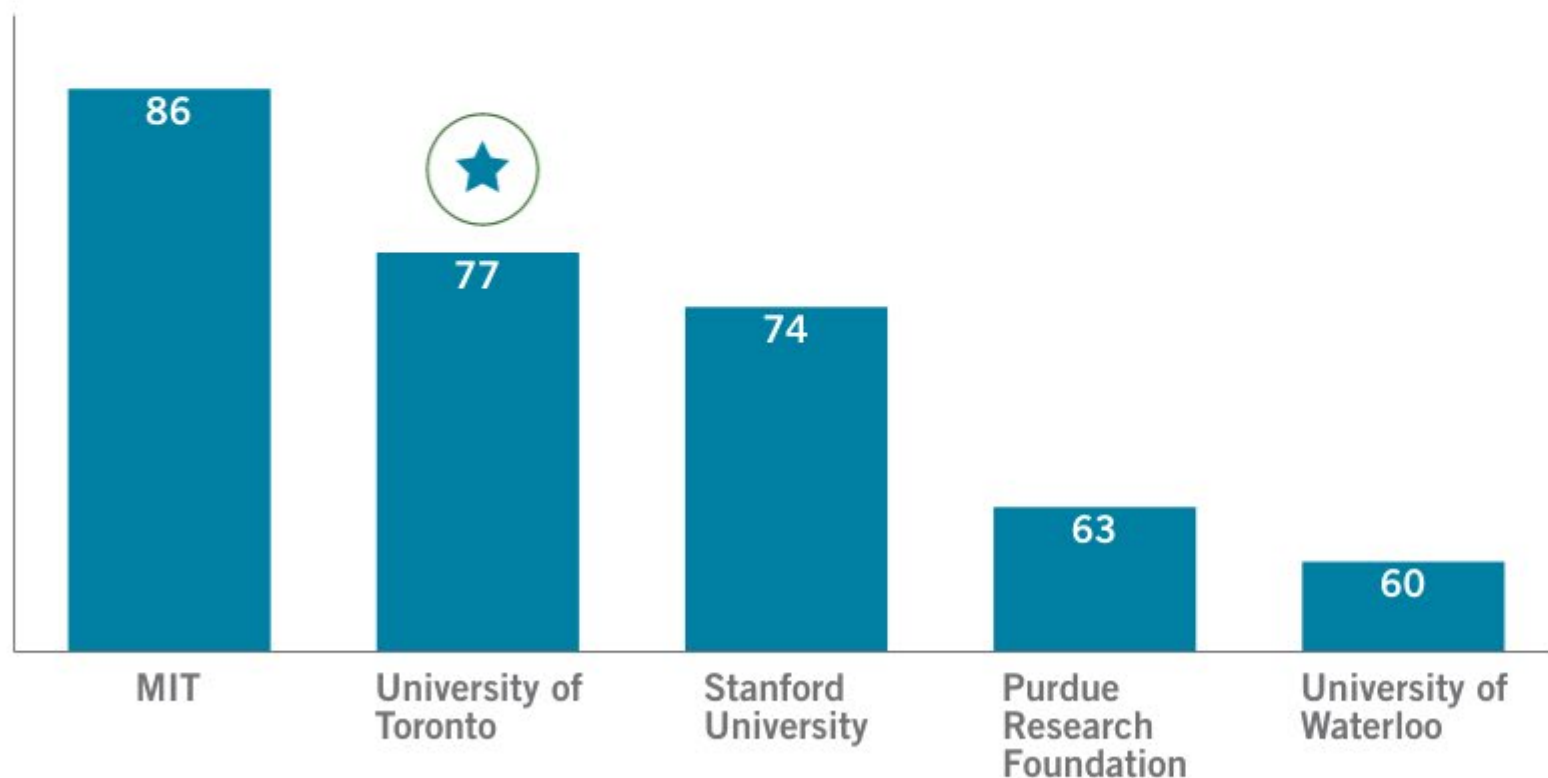

Private sector research funding has increased by 25% from the previous year, bringing the five year average growth rate to 13% per year.

Start-up Companies

New Research-Based Start-Up Companies
2016-17 to 2018-19

The University of Toronto is a leader in North America for the number of research based start-up companies, with 77 research based start ups established since 2016.

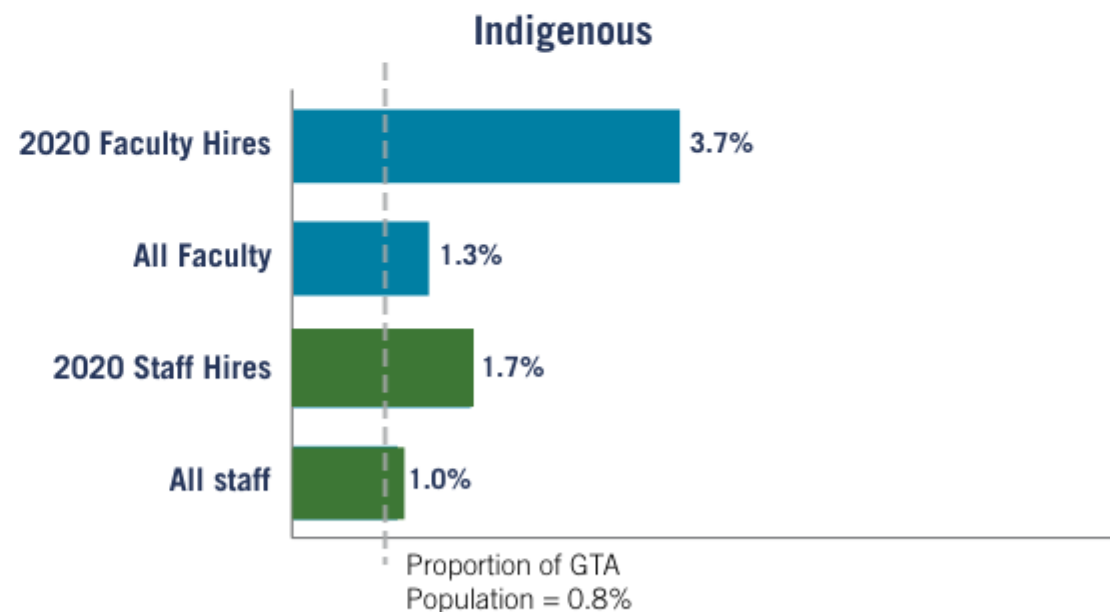

The total number of start up companies supported by the University of Toronto, including student start-ups, has increased by 81% from only 200 start ups in 2017 to 362 in 2020.

Employment Equity

Self-Identified Ethno-Cultural Identities

Over the last 5 years the University has made investments in the diversification of faculty hires through the University Fund. Continued efforts are needed.
