## KEY PORTFOLIO CHALLENGES AND GOALS FOR 2021-22

- Guide the *Student Services Hub* proposal through UTM & UT approvals, toward Spring 2023 opening
- Support initiatives to enhance academic advising in partnership with Offices of the Dean (Academic) and Registrar, with particular attention to first-year and undecided-program students
- Review pandemic response's impacts then rebalance in-person and on-line services based on students' experiences
- Launch Health & Counselling Centre's new *counselling* space, and plan launch of HCC's new *clinic* space [delayed by pandemic]
- Continue planning for residence expansion to accommodate growth in first-year student demand, while renewing residence townhouses to meet returning students' interests [delayed by pandemic]
- Reconsider UTM outdoor recreation facilities to accommodate increasingly diverse interests in sports and activities [delayed by pandemic]
