

# UTM Student Services Hub

- Providing a *first stop* for most student services
- Offering students choices among self-service, peer support, group experiences and professional staff support
- Encouraging expanded cross-departmental innovations while increasing front and back-of-house efficiencies
- Arising from on-going consultation with students, including student leaders and student-users of services, along with professional staff, campus leadership, external consultants

**Erindale College  
University of Toronto  
1969-1970**
