In this high-level overview of the campus strategic priorities, the Committee is being asked to consider, for information, the overall goals and direction of the campus with reference to the relevant planning information (e.g. [Academic Plan](#)).

This presentation represents the first step in the governance process for consideration of budget matters.

The presentation will focus on strategic objectives, and address topics such as enrolment, programs, services, capital projects, and assessment of progress toward long-term goals.

Following the Administrative Review process, an Institutional Operating Budget presentation will be provided to Campus Council in Cycle 4.
