

Vision and **Guiding Principles**

UTM's Campus Master Plan supports the design of sustainable, high-quality buildings and spaces that embrace natural ecological settings; that promote community health, connection, and flourishing; and that enable aspirations in research, teaching and reciprocal civic engagement.

Sustainability

Embrace Ecology

Diversify Learning Environments

Connection

Strengthen Community Synergies Encourage Multi-Modal Movement

Design Physical & Visual Connections

Vitality

Enable Placemaking

Empower Vibrant Experiences

Respect Cultural Heritage Value

- 1. Identify potential future development sites
- 2. Create a landmark building and plaza
- 3. Redevelop and extend Middle Road
- 4. Create a flexible outdoor campus commons (Campus Green)
- 5. Reinforce the Riparian Ribbon as a pedestrian connection
- 6. Create Academic Quad and Cultural Commons
- 7. Expand and consolidate athletic uses
- 8. Establish 'shared streets'
- 9. Incorporate a new cycle track and cycling infrastructure

- 1. Identify potential future development sites
- 2. Create a landmark building and plaza
- 3. Redevelop and extend Middle Road
- 4. Create a flexible outdoor campus commons (Campus Green)
- 5. Reinforce the Riparian Ribbon as a pedestrian connection
- Create Academic Quad and Cultural Commons
- 7. Expand and consolidate athletic uses
- 8. Establish 'shared streets'
- Incorporate a new cycle track and cycling infrastructure
