# A Decade of MOOCs at U of T

**+4,000,000 enrollments**

U of T has offered a total of **52 unique MOOCs** since 2012.

**182 countries**

Students from all over the world can access our MOOCs on **Coursera** and **edX**.

**+300,000 certificates**

U of T MOOCs have been offered in **Computer Science, Business, Health, Physical Science & Engineering, Social Sciences, Personal Development, and Data Science**.

**+1000 active learners every day**

Participants learn on their own schedules wherever they are.

# Student Mental Health Update and Looking Forward

Sandy Welsh  
Vice Provost, Students  
Academic Board – October 6, 2022

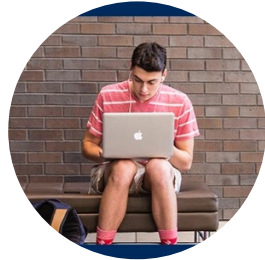

# University Priorities

## Fully Implemented Same Day or Next Day Access Model

Single sessions are in-person or virtual – focus on solutions to immediate issues and resource navigation

## One Electronic Health Record Implemented

Further Improvements underway to fully leverage Electronic Medical Records (EMR)

## Monitoring and Adjustments to the Model

Integrated into daily operations to help better serve students

# CAMH Acute Care Partnership

- CAMH and U of T Care Navigation Pathway launched
- Communications with U of T and CAMH partners underway
- [UofTnavigation@camh.ca](mailto:UofTnavigation@camh.ca) – responds to questions/inquiries
- Clinical Navigator - reviews weekly referrals of U of T students identified through CAMH Emergency, Urgent Care and Inpatient Units
- CAMH and InLight research and evaluation collaboration launched

# Tri-campus Student Mental Health Leadership

## Task Force Recommendation

Establish Tri-campus Leadership role with oversight of the three student health centres to provide leadership and streamline processes and protocols related to mental health services

## Inaugural Changes in Student Mental Health Systems Fall 2022

Chris Bartha, BA BSW MSW, Senior Executive Director, Student Mental Health Systems, Policy and Strategy
