**AGENDA ITEM:** 10

**ITEM IDENTIFICATION:**

Health and Safety Requirements – Quarterly Report on Compliance for October 1, 2022 – December 31, 2022.

**JURISDICTIONAL INFORMATION:**

The Business Board is responsible for monitoring health and safety compliance.

Heather Boon on behalf of Kelly Hannah-Moffat has undertaken to provide the Business Board with quarterly reports on the University’s compliance with legal requirements in the area of Health and Safety.

**GOVERNANCE PATH:**

**1. Business Board [for information] (February 1, 2023)**

**PREVIOUS ACTION TAKEN:**

Not applicable.

**HIGHLIGHTS:**

**1. Ontario Ministry of Labour (MOL) & Public Health Visits and Orders**

During this reporting period (October 1 to December 31, 2023) the Ontario Ministry of Labour (MOL) conducted a total of four site visits in addition to email/phone communications regarding a critical injury. The MOL visited the St. George campus twice to investigate a complaint

regarding use of equipment at the Ramsay Wright Laboratories building. Five orders were received and complied with. The MOL also visited Hart House Farm regarding a noise complaint (no order issued). The Canadian Food Inspection Agency (CFIA) visited the UTSC animal facility for a quarantine assessment. No non-compliances noted. There were no visits to UTM during the reporting period.

## **2. Regulatory Visits**

The Canadian Nuclear Safety Commission visited our radioactive waste facility 27 Oct, 2022. No non-compliance notes issued.

## **3. Incidents Abroad Relating to Students**

During this reporting period, there were no incidents to report involving students abroad.

## **4. Summary**

In summary, based on the reports I have received through the operation of our occupational health and safety policy, and to the best of my knowledge, the University is in compliance with its health and safety obligations.

## **FINANCIAL IMPLICATIONS:**

Not applicable.
