Compulsory Non-Academic Incidental Fees - Report and Analysis: 2022-23

JURISDICTIONAL INFORMATION:

Section 5.1. of the Terms of Reference provides that compulsory non-academic incidental fees are within the responsibility of the UTSC Campus Affairs Committee. Sections 5.4.1. and 5.4.2 state that fees for UTSC student services, representative student committees, campus organizations, and divisional student societies "are approved by the UTSC Council on the recommendation of the UTSC Campus Affairs Committee."

Compulsory non-academic incidental fees for UTSC are considered and approved by the UTSC Campus Affairs Committee and the UTSC Campus Council. Fees for the St. George campus and for multi-campus services and student societies are approved by the University Affairs Board.

GOVERNANCE PATH:

- 1. University Affairs Board [For Information] (January 18, 2023)
- 2. UTM Campus Affairs Committee [For Information] (February 8, 2023)
- 3. UTSC Campus Affairs Committee [For Information] (February 9, 2023)

PREVIOUS ACTION TAKEN:

The report is presented annually to the Committee for information.

HIGHLIGHTS:

The report is an inventory of all compulsory non-academic incidental fees (and designated portions thereof) approved by governance and collected by the University. Similar fees approved and charged by the federated universities are included for reference.

The first section of the report identifies fees in each divisional table as either those whose proceeds fund a University service, those whose proceeds go to a University-wide student society, or those whose proceeds go to a student society or service of the division.

Increases to fees which fund University-operated services (including those managed by a division of the University) are subject to the terms and conditions outlined in the *Policy for Compulsory Non-Academic Incidental Fees* and the *Memorandum of Agreement between The University of Toronto, The Students' Administrative Council, The Graduate Students' Union and The Association of Part-time Undergraduate Students for a Long-Term Protocol on the Increase or Introduction of Compulsory Non-tuition Related Fees* (commonly referred to as the *Protocol*). The Council on Student Services (COSS) provides advice to the University Affairs Board on increases to fees for the St. George Campus and University-wide services. Similarly, the UTSC Council on Student Services (CSS) and the UTM Quality Services to Students Council (QSS) advise the UTSC and UTM Campus Affairs Committees on fee increases for services located on the Scarborough and Mississauga campuses respectively. Services fees are listed in Schedule 2.

Changes to student society fees (including portions of fees which are designated for specific purposes) are subject to the terms and conditions outlined in the *Policy for Compulsory Non-Academic Incidental Fees* and the societies' own constitutions and/or by-laws. Increases which are greater than the cost of living must be supported by a positive result in a recent referendum. Requests for increases which are less than or equal to the cost of living must be supported by a previous referendum approving annual increases by an established inflation factor. When such a provision is approved by referendum, annual increases – no greater than the Ontario Consumer Price Index of the previous December (or no greater than an inflation factor approved by referendum) – may be requested upon approval of the organization's board or council. Student society fees, including portions designated for specific purposes, are detailed in Schedule 1.

In response to the COVID-19 pandemic, campus services and student societies were invited to review their programming and services and consider temporary reductions to their fees between Summer 2020 and Fall 2021. These temporary fee reductions were reported to the University Affairs Board and are reflected in the 2020-21 and 2021-22 COVID-19 reductions versions of this report.

FINANCIAL IMPLICATIONS:

There are no net implications for the campus' operating budget.

RECOMMENDATION:

The report is presented for information.
