JURISDICTIONAL INFORMATION:

The Terms of Reference of the University Affairs Board provide that the Board is responsible for policy concerning student services and for overseeing their operations. Changes to the level of service offered, fees charged for the services and categories of users require the Board's approval. The Board receives annually from its assessors reports on matters within its areas of responsibility, including statements of current issues, opportunities and problems, along with recommendations for changes in policies, plans or priorities that would address such issues.
