Key portfolio challenges and goals for 2023-24

September 2023

Key portfolio challenges and goals for 2023-24

Comprehensive support for UTQAP external reviews of existing programs and units.

- **14 reviews in various stages of the process:**
 - Three different site visits scheduled for fall
 - Potentially three more visits for winter/spring 2024

Rollout of Foundation Writing Skills Initiative and Numeracy Skills Initiative (ISUP)

- Support ISUP in planning and implementing Writing and Numeracy Skills.
- Review accelerated rollout of ISP100H5 as an enrolment requirement for six additional units in 2024/2025.
- Develop final phase rollout implementation plan including resource implications.

Curriculum Review & Renewal

Undergraduate Curriculum Review & Renewal

- Regularize the approval process for online and flexible delivery mode proposals.
- Develop a strategic plan for Online Learning at UTM.

Graduate Curriculum Review & Renewal

- Collaborate with the Vice-Dean, Graduate and Postdoctoral Affairs on new graduate program opportunities.
- Support curriculum review and renewal processes for graduate programs.

Associate Deans

Associate Dean, Academic Programs

- Support the development of academic change proposals (new programs, major modifications, certificates, and program closures)
- Implement new proposal process to streamline and increase efficiencies

Associate Dean, Pedagogical Development & Scholarship

- Co-organize UTM's Teaching & Learning Collaboration (TLC)
- Target feedback on Teaching-related grants at UTM and tri-campus
