ITEM IDENTIFICATION:

Minor Modifications: Undergraduate Curriculum Changes, UTSC (for information) *

JURISDICTIONAL INFORMATION:

The UTSC Academic Affairs Committee (AAC) “is concerned with matters affecting the teaching, learning and research functions of the Campus (AAC *Terms of Reference*, section 4).” Under section 5.6 of its *Terms of Reference*, the AAC is responsible for approval of “major and minor modifications to existing degree programs.”

The AAC has responsibility for the approval of major and minor modifications to existing programs as defined by the [University of Toronto Quality Assurance Process](#) (UTQAP, Section 3.1 and 3.3).

GOVERNANCE PATH:

- 1. UTSC Academic Affairs Committee [For Information] (September 12, 2024)**

HIGHLIGHTS:

The Office of the Vice-Principal Academic and Dean, UTSC, reports for information, all curricular changes that do not impact program and course learning outcomes or mode of delivery. These include, but are not limited to:

- Adding, deleting or moving an optional course in a program;
- Adding, deleting or moving a required course in a program, as long the change does not alter the nature of the program;

- All course deletions; and
- Changes to course level and/or designator, prerequisites, enrolment limits and breadth requirement categories.

This package includes minor modifications to undergraduate curriculum, submitted by the academic units identified below. These changes have been made to correct errors in the 2024-25 Calendar that were identified by the academic units at the time of publication. The changes have already been implemented and are in effect as of Fall 2024, for the 2024-25 academic year.

1 Program Revision

SCMINAGS: MINOR PROGRAM IN AGING AND SOCIETY (ARTS)

Completion Requirements:

Program Requirements

This program requires the completion of 4.5 credits, as follows:

1. 1.5 credits in Foundations as follows:

HLTA02H3 Exploring Health and Society: Theories, Perspectives, and Patterns

HLTA03H3 Navigating Health and Society: Research, Practice, and Policy

and one of the following:

HLTA20H3 Physiology Through the Life Course: From Birth Through Death*

HLTB15H3 Health Research Methodology

2. 1.5 credits in Core Concepts as follows:

HLTB24H3 Aging with Agility

HLTB40H3 Health Policy and Health Systems

and one of the following:

HLTB22H3 Biological Determinants of Health*

HLTB41H3 Social Determinants of Health

3. 1.5 credits in Aging and Society in Practice as follows:

HLTC22H3 Health, Aging, and the Life Cycle

and two of the following:

HLTC19H3 Chronic Diseases*

HLTC42H3 Emerging Health Issues and Policy Needs*

HLTC43H3 Politics of Canadian Health Policy*

HLTC44H3 Comparative Health Policy Systems*

HLTC53H3 Creative Research Practices in Aging*

HLTC81H3 Health Professions and Practice*

HLTD26H3 Embodiment Across the Life Course*

* Students who choose to combine the Minor in Aging and Society with either the Major/Major Co-op in Health Studies - Health Policy or the Major/Major Co-op in Health Studies - Population Health are cautioned that, in accordance with degree regulations, they must ensure that the combination of programs used to meet the degree requirement include a minimum of 12.0 distinct credits.

In particular:

Students who combine the Minor with the Major/Major Co-op in Health Studies - Health Policy:

- Must complete one of HLTA02H3 or HLTB22H3.
- May apply the following to the completion of either the Major OR the Minor, but not both: HLTC19H3, HLTC42H3, HLTC43H3, HLTC44H3, HLTC53H3, HLTC81H3, and/or HLTD26H3.

Students who combine the Minor with the Major/Major Co-op in Health Studies - Population Health may apply the following courses to the completion of either the Major OR the Minor, but not both: HLTC19H3, HLTC81H3, and/or HLTD26H3.

Description of Proposed Changes:

Corrected an error in the completion requirements.

Rationale:

A typo discovered in the notes aimed at informing students looking to combine the Minor with the Major/Major Co-op in Health Studies – Health Policy. The first bullet should say “Must complete one of HLTA20H3 or HLTB22H3” and not “Must complete one of HLTA02H3 or HLTB22H3.”

Consultation:

This off-cycle correction was approved by the Acting Associate Dean, Undergraduate Programs & Curriculum on May 29, 2024, following consultation between the OVPD and the Department of Health and Society. The expectation is that this correction will be reported to the UTSC Academic Affairs Committee in Fall 2024.

Proposal Status:

Approved in CM on 2024-May-30
