Re: **Presidential Search Committee – Position Description and Call for Nominations and Applications**

I am pleased to inform you that the "[Appointment of President - Information for Candidates](#)" document, that includes the Position Description developed by the Presidential Search Committee, is now available on the Presidential Search [website](#). The Position Description was developed following extensive consultations that took place from July through September. The Committee is very grateful for the high level of engagement in the consultation process from members of the University community and beyond. The input received was invaluable to the Committee in helping to frame the mandate and priorities for the next President, as well as in identifying the key selection criteria to be expected and assessed in a successful candidate.

The Search Committee welcomes nominations and applications by **Midnight EST on Sunday, November 17, 2024**. Nominations for potential candidates should be submitted in confidence to:

Dr. Gordon Lobay
Regional Managing Partner – Americas
Perrett Laver
