Annual Report: Compulsory Non-Academic Incidental Fees 2024-25

JURISDICTIONAL INFORMATION:

Section 5 of the *Terms of Reference* lists University-wide student services, student societies, and compulsory non-academic incidental fees among the University Affairs Board's areas of responsibility.

Compulsory non-academic incidental fees for University of Toronto Mississauga and University of Toronto Scarborough are considered and approved by their respective Campus Affairs Committees and Campus Councils. Fees for St. George and University-wide student services and student societies are considered and approved by the University Affairs Board.

GOVERNANCE PATH:

- 1. UTSC Campus Affairs Committee [For Information] (January 8, 2025)
- 2. UTM Campus Affairs Committee [For Information] (January 9, 2025)
- 3. University Affairs Board [For Information] (January 15, 2025)

PREVIOUS ACTION TAKEN:

This report is compiled and presented annually and was last presented to the University Affairs Board for information on January 17, 2024.

HIGHLIGHTS:

This report is an inventory of all compulsory non-academic incidental fees (and designated portions thereof) approved by governance and collected by the University. Similar fees approved and charged by the federated universities are included for reference in Schedules 3 and 4.

The first section of this report identifies fees in each divisional table as either those whose proceeds fund a University service, those whose proceeds go to a University-wide student society, or those whose proceeds go to a student society or service of the division.

Increases to fees which fund University-operated services (including those managed by a division of the University) are subject to the terms and conditions outlined in the *Policy for Compulsory Non-Academic Incidental Fees* and the *Memorandum of Agreement between The University of Toronto, The Students' Administrative Council, The Graduate Students' Union and The Association of Part-time Undergraduate Students for a Long-Term Protocol on the Increase or Introduction of Compulsory Non-tuition Related Fees* (commonly referred to as the *Protocol*). The Council on Student Services (COSS) provides advice to the University Affairs Board on increases to fees for St. George and University-wide student services. Similarly, the UTM Quality Services to Students Council (QSS) and the UTSC Council on Student Services (CSS) advise the UTM and UTSC Campus Affairs Committees on fee increases for student services located at UTM and UTSC respectively. Student services fees are listed in Schedule 2.

Changes to student society fees (including portions of fees which are designated for specific purposes) are subject to the terms and conditions outlined in the *Policy for Compulsory Non-Academic Incidental Fees* and the societies' own governing documents. Increases which are greater than the cost of living must be supported by a positive result in a recent referendum. Requests for increases which are less than or equal to the cost of living must be supported by a previous referendum approving annual increases by an established inflation factor. When such a provision is approved by referendum, annual increases – no greater than the Ontario consumer price index of the previous December (or no greater than another inflation factor approved by referendum) – may be requested upon approval of the society's board or council. Student society fees, including portions designated for specific purposes, are detailed in Schedule 1.

FINANCIAL IMPLICATIONS:

There are no net implications for the University's operating budget.

RECOMMENDATION:

This report is presented for information.
