- Advice on Fees and Operating Plans from the Council on Student Services (CSS)

TO: Members of the UTSC Campus Affairs Committee

FROM: Tim Tang, Dean of Student Experience and Wellbeing

DATE: February 5, 2025

SUBJECT: Advice on Fees and Operating Plans from the Council on Student Services (CSS)

Included in this package are the proposed Operating Plans and proposed Fees for the UTSC Student Experience and Wellbeing for 2025-26. These Fees are subject to the provisions of the *Policy on Ancillary Fees*, the *Policy for Compulsory Non-Academic Incidental Fees*, and the *Memorandum of Agreement between The University of Toronto, The Students' Administrative Council, The Graduate Students' Union and The Association of Part-time Undergraduate Students for a Long-Term Protocol on the Increase or Introduction of Compulsory Non-tuition Related Fees* (generally known as the *Protocol on Non-Tuition Fees* or simply the *Protocol*).

The following UTSC-related Compulsory Non-Academic Incidental Fees are subject to the three policies listed above and are charged to students via their student accounts on ROSI:

Health and Wellness Service Fee
Athletics & Recreation Fee UTSC
Student Services Fee

The *Protocol* makes provision for the establishment of a body at UTSC which considers proposals for changes to, or the introduction of, fees covered by the *Protocol* prior to the consideration of these fees by the Governing Council. This body, named the Council on Student Services (CSS) was established by the former Scarborough College Council, with the agreement of the Scarborough College Students' Union. The *Protocol* also requires that the advice of CSS shall be conveyed to the Governing Council.

The "advice" is interpreted to mean the decisions of CSS on the proposals made by the administration to CSS (i.e., approval of a proposal, a rejection of a proposal, an absence of a decision following a proposal being made, etc.). Following the consideration of the administration's proposals by CSS, the administration lists the resolutions considered, the decisions, and the details of the voting in a memorandum to CAC. This memorandum delineates the advice to CAC. The *Protocol* also requires that this summary be forwarded to the chair of CSS "in sufficient time to allow representation to be made by the [CSS] to [CAC]."

UTSC Campus Affairs Committee

The Operating Plans and budgets have been prepared with input from the directors and managers of the units, from student users of the services, from various advisory and governing bodies, and from CSS (prior to the point when the Plans were considered by CSS).

According to the terms of the *Protocol*, if CSS approves an increase to, or the establishment of, a fee, or if the relevant students approve of such an increase or new fee by referendum, the Governing Council may approve the increase or fee, without restriction on the amount.

If CSS does not approve a fee increase, the administration is entitled to seek approval by the CAC of a maximum of: (a) a permanent fee increase of the lesser of the consumer price index (CPI) increase or the University of Toronto index (UTI) increase; and (b) a temporary increase of the greater of the CPI increase or the UTI increase.

The CPI for this year is 2.0%.
