- Advice on Fees and Operating Plans from the Council on Student Services

To: Members of the University Affairs Board
From: Professor Sandy Welsh, Vice-Provost, Students
Date: February 13, 2025
Re: Advice on Fees and Operating Plans from the Council on Student Services

Included in this package are detailed annual reports and operating plans for St. George campus and University-wide co-curricular services for 2025-26. The operating plans and budgets have been prepared with input from the managers of the services, from student users of the services, from various advisory and governing bodies, and from the Council on Student Services (COSS) established under the terms of the *Memorandum of Agreement between The University of Toronto, The Students' Administrative Council, The Graduate Students' Union and The Association of Part-time Undergraduate Students for a Long-Term Protocol on the Increase or Introduction of Compulsory Non-tuition Related Fees (the Protocol)*.

Pursuant to the *Protocol*, a key duty of COSS is to provide advice to University Affairs Board (UAB) in respect of the services' operating plans, budgets and changes in fees governed by the *Protocol*. Decisions of COSS (i.e., approval or the absence of approval) related to operating plans and fees are conveyed to the UAB when the service's plan is under consideration by the Board. If COSS does not approve a fee increase, the administration is entitled to seek approval by the UAB based on two indices: the Consumer Price Index and the University of Toronto Index.

This memorandum summarizes the outcomes of COSS' consideration of the operating plans and budgets.
