ITEM IDENTIFICATION:

Report Number 34 on Namings

JURISDICTIONAL INFORMATION:

The University's Policy on Naming stipulates that, among other things, approval is required for the naming of buildings or substantial parts of buildings, endowed programs of research, teaching, service or recreation, endowed chairs and professorships. Approval of such namings is delegated to a committee composed of the Chair and Vice-Chair of Governing Council and the President, with the Chair retaining the responsibility for referring any contentious matters to the Executive Committee. The President may approve the names of things such as visiting lectureships, special lecture series, individual rooms, walkways, etc.

Section 5.13 of the Terms of Reference for the Executive Committee states that the Committee reviews by means of electronic publication a semi-annual report of all namings approved by the Committee on Namings and by the President, under the Policy on Naming.
