UNIVERSITY OF
TORONTO

The Protocol

The *Protocol* was created pursuant to Ministry requirements to establish “a formal agreement between the institution’s administration and student government representatives which set out the means by which students will be involved in decisions to introduce a new or modify an existing compulsory non-tuition related ancillary fee.”

Advice to Governing Council via UAB

If the majority of student members approve the fee increase:

the fee increase is brought forward to UAB for approval.

If the majority of student members do not approve the fee increase:

UAB may approve increases based on two indices.

UNIVERSITY OF
TORONTO

CPI (Definition – Student Services)

CPI is the inflation factor equal to the Consumer Price Index as described in the University of Toronto's Long-range Budget Projection Assumptions and Strategies (or its equivalent).

*Long-Term Protocol on the Increase or Introduction of Compulsory
Non-tuition Related Fees*

UTI (Definition)

UTI: University of Toronto Index.

UTI is an indexation of a service's fee

- accounts for changes in salary and benefit costs, revenue from other sources, occupancy costs, and changes in enrolment.
- calculated separately for each service's fee.

*Long-Term Protocol on the Increase or Introduction of
Compulsory Non-tuition Related Fees*

Permanent and Temporary Increases

Permanent increase:

The lessor of the UTI increase or the CPI increase.
